School Objectives

Our school has several objectives designed to help us fulfill our mission:

1. Provide our students with an up-to-date learning experience by constantly reviewing and improving our curriculum via student, instructor, employer, and community feedback.

2. Provide instruction using industry standard equipment and incorporate new technology into the classroom to improve graduate career prospects.

3. Provide facilities which ensure a valuable learning experience and a beautiful campus that creates an enjoyable student experience outside of the classroom.

4. Provide students with the training and resources needed to become lifelong learners and continue to grow professionally after completing their program of study.

5. Provide administrative and faculty support to graduates throughout the applicable certification and licensure processes.

6. Provide support services to help students address personal challenges during their time in school.

7. Provide career services assistance and professional guidance to graduates to help them obtain and maintain employment in their field of study.

Mission Statement

To inspire the next generation of professionals through our dedication to service, commitment to mentorship, and innovation in education.

School Ownership and History

Northwest Career College is owned by John Kenny, D.C. Dr. Kenny is a graduate of Northwestern University and National College of Chiropractic and maintained a private practice in Las Vegas from 1992 to 2018.

NCC was founded in July 1997 as Northwest Massage School. It was renamed Northwest Health Careers in December 1998 after opening its Dental Assistant program and relocated to its main campus located at 7398 Smoke Ranch Road in 2003. It was renamed Northwest Career College (NCC) in 2012 upon addition of the Paralegal Studies program, the institution’s first degree-granting program. For more information, please visit our website at www.northwestcareercollege.edu.

Licensing Information

NCC is licensed by the State of Nevada Commission on Postsecondary Education.

NCC is also a participant in the National Council of State Authorization Reciprocity Agreement, NC-SARA. The State Authorization Reciprocity Agreement is a voluntary agreement among its member states and US territories that establishes comparable national standards for interstate offering of postsecondary distance-education courses and programs.

NCC is approved to offer fully online distance education programs to NC-SARA member states’ residents but has elected to only enroll students located in the State of Nevada at this time. Prospective students who reside outside the State of Nevada may enroll while living elsewhere but are not be eligible to attend classes prior to relocation in-state. Students who relocate out of state while enrolled at NCC may not continue their studies but may be eligible for a Leave of Absence if they anticipate the relocation is temporary. See the Determination of Student Location policy for additional details.

Founder and President
Institutional Information

Accreditation Information

NCC is institutionally accredited by the Accrediting Bureau of Health Education Schools (ABHES), located at 7777 Leesburg Pike Suite 314 N., Falls Church, Virginia 22043. They can be reached for additional information about accreditation by phone at 703-917-9503, by fax at 703-917-4109, or by email at info@abhes.org.

NCC’s Pharmacy Technician Program is programmatically accredited by the Accreditation Council for Pharmacy Education, located at 190 S. LaSalle Street, Suite 2850 Chicago, Illinois 60603-3499. They can be reached for additional information about accreditation by phone at 312-664-3575, by fax at 866-228-2631, or by email at info@acpe-accredit.org.

(updated policy language is available in Addendum G)

Facility Information

NCC’s main campus facility is located at 7398 Smoke Ranch Road. NCC has additional classroom and administrative space located at 7365 Prairie Falcon Road, Suites #110 and 120; 7361 Prairie Falcon Road, Suites #130 and 160; 2420 Professional Court; 2440 Professional Court; and 2471 Professional Court. All facilities are less than a mile away from the main campus facility. The school is conveniently accessed from either Lake Mead Boulevard or Cheyenne Avenue off Interstate-95.

The campus has approximately 40,000 square feet dedicated to the school’s administrative offices and training facilities. General school facilities include a conference room and a student lounge with internet-equipped computers. Designated training facilities include the following laboratories:

- Administrative laboratories with reception desks and a full complement of front office equipment;
- Dental laboratories consisting of dental operatories, x-ray equipment, sterilization areas, and wet and dry lab areas;
- Massage laboratories consisting of classroom-style massage bays and private clinical treatment rooms;
- Medical laboratories consisting of medical workstations, exam tables, and phlebotomy chairs; and,
- Pharmacy laboratories consisting of a mock retail pharmacy and mock sterile compounding area.

Our professional buildings and teaching facilities are ADA compliant for handicapped accessibility including parking and restrooms.

### Observed Holidays

(Please see Addendum D – Holiday Calendar)

- **New-Year’s Day**
- **Martin Luther King’s Birthday**
- **President’s Day**
- **Spring Break**
- **Memorial Day**
- **Juneteenth**
- **Summer Break**
- **Labor Day**
- **Indigenous Peoples’ Day**
- **Nevada Day**
- **Veteran’s Day**
- **Thanksgiving Break** (Thursday – Sunday)
- **Winter Break**

*If an observed holiday falls on a weekend, it will be observed on an adjacent business day. Exact dates can be found in Addendum D – Holiday Calendar.*
Program Start Dates

Program start dates and projected graduation dates are published annually in Addendum C – Academic Calendar.

Admissions Requirements

(Updated policy language is available in Addendum G)

Institutional Admissions Requirements

All prospective students must meet the following general requirements:

1. Be beyond the age of compulsory school attendance.
2. Provide evidence of a high school diploma, its equivalent, or a state-authorized examination certificate.
3. Provide a photocopy of a current Driver’s License or valid government-issued ID.
4. Note – students need a current ID throughout their enrollment and may be asked to submit an updated copy of their Driver’s License if it’s scheduled to expire during their enrollment.
5. Complete an interview with a School Administrator.
6. Complete the required admissions documents (including the Application for Admissions and Enrollment Contract) and pay the program registration fee.
7. Complete the financial aid process and submit all required documentation or make alternative financial arrangements.
8. Be able to speak, read, write, and follow directions given in English.
9. Demonstrate professional behavior in accordance with NCC’s Conduct Policy.

All general requirements must be completed by the Add/Drop Date as published in Addendum C – Academic Calendar. Extensions of this deadline may be authorized by the Director of Admissions on a case-by-case basis.

Programmatic Admissions Requirements

Program specific requirements for admission include:

1. Students enrolling in programs which require licensure applications have additional age restrictions. Students must be 18 years old at the time of enrollment (Required for Massage Therapy program only) or projected to turn 18 years old prior to their expected graduation date (Required for Pharmacy Technician and Phlebotomy Technician programs only).
2. Completion of the Wonderlic entrance exam is required prior to starting the program. (Required for Business Administration, Criminal Justice, Healthcare Administration, Paralegal Studies, Pharmacy Technician programs only).
3. Documentation of immunizations and TB skin test is required within 90 days of starting several programs and is recommended prior to admission (Required for Dental Administrative Assistant, Dental Assistant, Medical Assistant, Medical Administrative Assistant, Healthcare Administration, and Pharmacy Technician programs). The cost of immunizations required by NCC or its clinical affiliates is NOT included in the cost of the program. See the Immunization Policy below for additional details regarding the specific immunizations required for each program.
4. Successful completion of a criminal background check is required prior to acceptance into certain programs. The cost of the criminal background check is included in the cost of the program if the applicant’s history is fully disclosed and they are accepted into the program. If a prospective student is denied admission due to a criminal history finding that was not disclosed prior to enrollment, the prospective student will be responsible for the cost of the background check and will be invoiced for the amount specified in the enrollment contract. (Required for Criminal Justice, Legal Assistant, Massage Therapy, Paralegal Studies, and Pharmacy Technician programs only).
5. Documentation of a negative drug screening must be submitted at least 60 days before the beginning of the Pharmacy Technician externship. The cost of the drug screening is included in the cost of the program. While it is not required for admission, it is required to obtain a Trainee License and start externship. Pharmacy Technician students are subject to random drug screenings while on campus and on externship. A positive drug screening will result in immediate suspension from school until NCC discusses the circumstances with the Nevada State Board of Pharmacy and may result in administrative withdrawal from the program. (Required for Pharmacy Technician program only).
Distance Education Admissions Requirements

Specific requirements for programs which have distance education components include:

1. Successful completion of a personal interview with a school representative to determine if the prospective student can benefit from distance education.

2. Student attestation that they have the following:
   
   a. Laptop computer and internet access that can be utilized to complete course lectures, discussions, assignments, and assessments. Minimum hardware and software specifications will be provided to prospective students prior to enrollment.

   b. Ability to use email as the primary method of institutional correspondence.

   c. Ability to browse the Internet, utilize online accounts, and configure basic browser settings to permit use of course materials.

Applicants not accepted by NCC shall be entitled to a refund of all monies paid.

Conditional Acceptance Policy

All new students are considered “conditionally accepted” to NCC after they attend their first day of class. All NCC policies apply to conditionally accepted students and they enjoy all the rights and resources of an officially accepted student. The conditional acceptance period begins on the first day of the term and continues through the close of business on the 14th calendar day of the term. Students who have met all admissions requirements, secured documentable funding for their program, met preliminary attendance requirements, and been formally accepted by their Program Chair are eligible to matriculate at NCC.

Enrollment Cancellation Policy

Students may voluntarily cancel their enrollment at any point after signing their enrollment contract and before the end of the conditional acceptance period by providing verbal or written notice to any member of the Admissions, Financial Aid, or Academic Affairs Departments.

NCC will administratively cancel the enrollment of any student who has not met all admissions requirements, secured documentable funding for their program, met preliminary attendance requirements, or been formally accepted by their Program Chair before the end of the conditional acceptance period.

Northwest is that school where I found my way to success. They lead you step-by-step through lab activities where one can learn the most important points of things that you are going to face in the workplace. They simulate the workplace in a good way and it makes you feel comfortable. You will get the right answer to every question that you have because the instructors and all staff members are all experts.

Sajiea Muzafari
Graduate of the 2020 Legal Assistant Program
Credit Hours for Previous Education or Training
(Supplemental policy language is available in Addendum G)

Students must complete an Application for Transfer Credit form and submit unofficial or official transcripts to be considered for transfer credit. Depending on the nature of the course, NCC may require submission of the original institution's school catalog, course descriptions, and/or course syllabi as supporting documentation.

The student must have successfully completed the course with a score of C- or better, or a "P" in a pass/fail course for the application to be considered. The course must have similar content and have parity in hours and must have been taken within five years of enrollment at NCC. The application and all supporting documentation must be submitted before the end of the Conditional Acceptance period to be considered by NCC.

NCC will consider transferring credits for previous training obtained from other institutions accredited by an agency recognized by the United States Department of Education (ED) or the Council for Higher Education Accreditation (CHEA). NCC will also consider awarding credit for professional learning reviewed by the American Council for Education (ACE) and determined to be college level. NCC will consider requests for academic credit based on experiential learning on a case-by-case basis. NCC does not offer credit for advanced placement examinations.

Credit for previous training is granted at the discretion of a designated school representative and such decisions are considered final at the time of admission. All decisions will be made within fourteen (14) calendar days of receipt of the application and all supporting documentation. If credit is granted, the length and cost of the program may be reduced proportionately, depending on the circumstances. Credits approved for transfer will not be included in the student's calculation for grade point average and will be recorded as a grade of "TC" on the student's official transcript. Please note, in accordance with accreditation requirements, all students must take a minimum of 25% of their program credits at NCC to graduate from their program of study, regardless of the amount of prior credit that is submitted for consideration.

The evaluation of previous postsecondary education and training is mandatory/required for VA beneficiaries. For students utilizing Veterans benefits who are approved for transfer credit as a result of this evaluation, the institution will grant appropriate credit, reduce the program length proportionately, notify the student and Veterans Affairs in writing of this decision, and adjust invoicing of the VA accordingly.
**Tuition Payment Policy**

Tuition may be financed through Title IV grants and loans, scholarships, or an in-house financing plan to be determined prior to enrollment. If a student balance remains outstanding prior to their graduation date, NCC reserves the right to withhold any student’s diplomas and/or transcripts until the balance is settled.

**Delinquent Payment Policy**

Students will be assessed a fee based on the bank fee charged to NCC for all returned checks. A student who is unable to meet his or her commitment for tuition payments will be referred to the Finance Department for determination of the student’s ability to remain enrolled at the school. A student may be administratively withdrawn from NCC for non-payment of tuition. If any refunds are due, they will be credited to the student as per the Refund Policy, or an invoice for the remaining tuition due will be sent to the student within 30 days of his or her last day of attendance.

**Title IV Federal Student Aid Policies**

NCC participates in the Federal Pell Grant Program and Direct Loan Program. The Federal Loan Program consists of Unsubsidized Stafford Loans, Subsidized Stafford Loans and PLUS Loans. A Student Guide written by the U.S. Department of Education outlining how students can apply for aid, how eligibility is determined, the rights and responsibilities of students receiving aid, how financial aid is dispersed and the terms of the repayment of loans is available online at studentloans.gov.

**Awarding of Title IV Aid**

Student eligibility for the receipt of Title IV funds will be assessed based on the information provided by the student on their Free Application for Federal Student Aid (FAFSA). The amount of a student’s Pell Grant is determined by calculating his or her expected family contribution (EFC). All loan packaging is done by the Financial Aid Officer.

**Verification Policy**

All students selected for verification will be expected to bring a copy of all requested supporting documentation to the Financial Aid Officer after completing their FAFSA. These students will also be expected to fill out a Verification Worksheet. The selection of students for verification is done randomly by the Federal Government, and NCC takes no part in determining which students will be chosen for verification.

**Disbursement Schedule**

Student Financial Aid will be disbursed according to the Disbursement Schedules distributed during the Financial Aid Intake process. Please note, the disbursement schedule is estimated and assumes no delays in the loan document signing process or changes in a student’s academic schedule. Actual disbursement dates may vary. Students should contact a Financial Aid Officer if they need assistance locating or interpreting the contents of the Disbursement Schedule.
Return of Title IV Funds Policy

NCC follows the Department of Education policy regarding the return of Title IV funds. We use the Return to Title IV (R2T4) worksheet provided by the Federal Government to determine what monies the student has earned. If a student withdraws or is administratively withdrawn prior to completing their program, then a Return to Title IV will be calculated per the refund form provided by the Federal Government.

When any student receiving Title IV funds withdraws or is administratively withdrawn from a program, the institution requests that the student schedule a time to meet with both the Registrar and Financial Aid Officer. Students will sign a withdrawal notice or receive their administrative withdrawal letter with the Registrar. The student’s last date of attendance will be determined at this time so that the Financial Aid Officer can complete an R2T4 worksheet. A representative from the Finance Department will complete a NCC Refund Worksheet and a representative from the Financial Aid Department will deliver all materials to the student to ensure that the student understands his or her financial obligations both to the school and to the Federal Government. The student will also complete their Exit Counseling at this time.

If the student cannot be contacted to schedule a meeting, these materials will be mailed to the last known address of the student. NCC will return all funds that are owed to the Federal Government based on the R2T4 calculation within 45 days of the student's withdrawal or administrative withdrawal date. NCC will return all funds owed to the student within 15 days of the student’s withdrawal or administrative withdrawal date.

Refund Policy

Students are entitled to a refund due to enrollment cancellation, withdrawal, or administrative withdrawal from the program. Student financial obligations will be calculated according to the following policies:

1. NCC allows all students to cancel their enrollment within three business days of signing an enrollment agreement with a refund of all monies paid on their account. See the Enrollment Cancellation Policy for additional details.

2. NCC allows all students to cancel their enrollment during their Conditional Acceptance period. Certificate program students are responsible for their registration fee but are not assessed other program costs if they cancel during their Conditional Acceptance period. Diploma and degree program students are not assessed any program costs if they cancel during their Conditional Acceptance period. See the Enrollment Cancellation Policy for additional details.

3. The unit of measurement used for refund calculation will be the last date of attendance. The last date of attendance is defined as the latest date when a student participated in a class session or clinical experience or submitted a graded assignment in Canvas. Any refund due to the student will be paid within 15 days of cancellation or withdrawal from the program.

4. The determined date of withdrawal, or date of determination, is defined as the date that the institution determined that a student was no longer enrolled in school. For students who voluntarily withdraw from their program, the date of determination is the date that the student submits their Withdrawal Form. For students who are administratively withdrawn from their program, the date of determination is calculated using the Administrative Withdrawal Policy described above.

5. If, after the start of instruction, but prior to completion of more than 60% of the billing term, the student withdraws from their program or is administratively withdrawn, the student will be charged for all non-refundable fees plus a prorated tuition amount based on the percentage of the term completed. Students should refer to the Withdrawal Policy above for detailed information about how to officially withdraw from NCC.

6. If after the start of instruction, and after completion of more than 60% of the billing term, the student withdraws from their program or is administratively withdrawn, the student will be charged for all non-refundable fees plus the full amount of tuition for that term. Students should refer to the Withdrawal Policy above for detailed information about how to officially withdraw from NCC.

VA Education Benefits Payment Policies

As required by Title 38 UCS 3679(e), once a student who is using VA Education Benefits to pay for their education has submitted a copy of his/her Certificate of Eligibility (COE) for VA funding, NCC will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual’s inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under Chapter 31 or 33.
If, after the start of instruction, NCC “substantially fails to furnish” the training program agreed upon in a student’s enrollment contract, NCC will issue a full refund of all monies previously paid to NCC. As defined in NRS 394.449, “substantially failed to furnish” includes cancelling or changing a training program agreed upon in the enrollment agreement without:

1. Offering the student a fair chance to complete the same program or another program with a demonstrated possibility of placement equal to or higher than the possibility of placement of the program in which the student is enrolled within approximately the same period at no additional cost; or,

2. Obtaining the written agreement of the student to the specified changes and a statement that the student is not being coerced or forced into accepting the changes, unless the cancellation or change of a program is in response to a change in the requirements to enter an occupation.

Uniforms, books, and personal equipment are not refundable after use by the student.

Refund calculations are based off of billing term lengths. Billing term lengths are variable based off of the student’s program, shift and start date.

Refunds will only be issued via a reloadable electronic card.

NCC applies this refund policy to all programs in order to calculate the outstanding balance owed to the school. Refunds to the Federal Government are separately calculated using the Return to Title IV Policy issued by the Federal Government. Additionally, NCC performs refunds in accordance with the provisions of Nevada Revised Statute (NRS 394.449). These provisions (listed below) supplement the requirements of the Refund Policy described above:

1. Each postsecondary educational institution shall have a policy for refunds which at least provides:
   1. That if the institution has substantially failed to furnish the training program agreed upon in the enrollment agreement, the institution shall refund to a student all the money the student has paid.
   2. That if a student cancels his or her enrollment before the start of the training program, the institution shall refund to the student all the money the student has paid, minus 10 percent of the tuition agreed upon in the enrollment agreement or $150, whichever is less.
   3. That if a student withdraws or is expelled by the institution after the start of the training program and before the completion of more than 60 percent of the program, the institution shall refund to the student a pro rata amount of the tuition agreed upon in the enrollment agreement, minus 10 percent of the tuition agreed upon in the enrollment agreement or $1500, whichever is less.
   4. That if a student withdraws or is expelled by the institution after completion of more than 60 percent of the training program, the institution is not required to refund the student any money and may charge the student the entire cost of the tuition agreed upon in the enrollment agreement.

2. If a refund is owed pursuant to subsection 1, the institution shall pay the refund to the person or entity who paid the tuition within 15 calendar days after the:
   1. Date of cancellation by a student of his or her enrollment;
   2. Date of termination by the institution of the enrollment of a student;
   3. Last day of an authorized leave of absence if a student fails to return after the period of authorized absence; or
   4. Last day of attendance of a student,
   whichever is applicable.

3. Books, educational supplies or equipment for individual use are not included in the policy for refund required by subsection 1, and a separate refund must be paid by the institution to the student if those items were not used by the student. Disputes must be resolved by the Administrator for refunds required by this subsection on a case-by-case basis.
For the purposes of this section:

1. The period of a student’s attendance must be measured from the first day of instruction as set forth in the enrollment agreement through the student’s last day of actual attendance, regardless of absences.

2. The period of time for a training program is the period set forth in the enrollment agreement.

3. Tuition must be calculated using the tuition and fees set forth in the enrollment agreement and does not include books, educational supplies or equipment that is listed separately from the tuition and fees.

(Accounted to NRS by 1985, 989; A 1989, 1460; 1995, 325; 2005, 635)”

Account for Student Indemnification Policy

NCC operates in accordance with Nevada Revised Statute (NRS 394.553). These provisions (listed below) provide important information to students regarding the existence and purpose of the Account for Student Indemnification.

NRS 394.553 Account for Student Indemnification.

1. The Account for Student Indemnification is hereby created in the State General Fund. The existence of the Account does not create a right in any person to receive money from the Account. The Administrator shall administer the Account in accordance with regulations adopted by the Commission.

2. Except as otherwise limited by subsection 3, the money in the Account may be used to indemnify any student or enrollee who has suffered damage as a result of:

   1. The discontinuance of operation of a postsecondary educational institution licensed in this state; or

   2. The violation by such an institution of any provision of NRS 394.383 to 394.560, inclusive, or the regulations adopted pursuant thereto.

3. If a student or enrollee is entitled to indemnification from a surety bond pursuant to NRS 394.480, the bond must be used to indemnify the student or enrollee before any money in the Account may be used for indemnification.

4. In addition to the expenditures made for indemnification pursuant to subsection 2, the Administrator may use the money in the Account to pay extraordinary expenses incurred to investigate claims for indemnification or resulting from the discontinuance of the operation of a postsecondary educational institution licensed in this state. Money expended pursuant to this subsection must not exceed, for each institution for which indemnification is made, 15 percent of the total amount expended for indemnification pursuant to subsection 2 or $10,000, whichever is less.

5. No expenditure may be made from the Account if the expenditure would cause the balance in the Account to fall below $10,000.

6. Interest and income earned on the money in the Account, after deducting any applicable charges, must be credited to the Account.

7. The money in the Account does not lapse to the State General Fund at the end of any fiscal year.

(Accounted to NRS by 1995, 323)
Accessibility and Accommodations

Policy Statement

NCC is committed to creating an inclusive learning environment for all prospective and currently attending students. NCC has adopted accessibility practices to accomplish this objective, such as providing audio recordings of all lectures, access to individualized tutoring, at-home, online exam proctoring, and ADA-compliant teaching facilities. Furthermore, prospective and currently attending students with a qualifying ADA disability are encouraged to request academic accommodations if desired during their program of study.

For additional details not included in this catalog section, please see the Facilities and Services Available to Students with Disabilities Disclosure posted on the NCC’s website.

Accommodations Application Process

To obtain academic accommodations, a student should:

1. Submit a written request to meet with the Accommodations Coordinator or a designated representative by emailing accommodations@northwestcareercollege.edu
   - Prospective students may submit this request prior to enrollment in order to verify the availability of specific accommodations if desired.
   - Currently attending students are strongly encouraged to submit this request within 90 days of beginning a program of study.

2. Meet with the Accommodations Coordinator or a designated representative to discuss available accommodations and submit an Accommodations Request Form;

3. Submit current documentation (dated within 1 year) of the disability and recommended accommodations from a qualified provider within 30 days of submitting an Accommodations Request Form; and,

4. Submit documentation of any prior academic accommodations (if applicable) within 30 days of submitting an Accommodations Request Form.

5. The Accommodations Request Form and all supporting documentation are reviewed by the Accommodations Coordinator or a designated representative upon receipt to assess what accommodations will be granted.

6. A written explanation of this assessment will be provided to the student within fourteen (14) calendar days of submission.
   - Submission of an Accommodations Request Form does NOT guarantee that accommodations will be granted. NCC will NOT grant accommodations that substantially alter the program curricula or the student learning experience.
   - NCC typically grants academic accommodations for didactic (lecture-based) coursework only, as this portion of the curricula is designed to test knowledge of course content as opposed to the ability to complete employment responsibilities in the field.
   - NCC typically does NOT grant academic accommodations for laboratory coursework (e.g. hands-on practice activities, competency assessments, clinical pass-off experiences), internship coursework, or externship coursework, as these portions of the curricula are designed to simulate employment responsibilities in the field and most modifications would substantially alter the student learning experience.
Information pertaining to an applicant’s disability submitted through the application process described above will be maintained as confidential. The Accommodations Coordinator or a designated representative is available upon request to guide students through the process of collecting the supporting documentation needed to complete the application process.

**Available Accommodations**

Standard academic accommodations will be implemented within fourteen (14) calendar days of approval. Such accommodations include:

- Extended Time for In-Class Quizzes
- Permission to Record Class Sessions
- Closed Captioning for Audio Recordings
- Speech to Text Training

Non-standard accommodations (such as assistive technology) are also available, depending on the nature of the qualifying disability. However, such accommodations may take up to sixty (60) calendar days to implement.

**Certification and Credentialing Considerations**

NCC does not have the authority to grant testing accommodations for certification or credentialing exams and cannot guarantee that specific accommodations will be granted for these exams, even if in-school accommodations are granted. Such determinations are made exclusively by the individual sponsoring organizations.

NCC will provide assistance to any student seeking testing accommodations, but the student is responsible for completing any required application(s) and collecting and submitting all documentation related to their disability requested by the sponsoring organization. Please note, NCC does not provide support services during examinations.

**Academic Advising**

**Policy Statement**

Currently attending students have access to academic advising services. Students may reach out to their assigned Academic Advisor at any time with questions, concerns, or to request additional information about the academic support services provided by NCC.

**Academic Advising**

Academic Advisors regularly initiate contact to provide academic advising to students who have not completed specific required coursework, who have not maintained a passing average on their previously-submitted coursework, or who have not attended sufficient class sessions. Academic advising may include guidance about time management or study techniques, support in signing up for academic support sessions, or a referral for additional student support services, depending on the student’s individual circumstances.

**Academic Support Services**

**Policy Statement**

Currently attending students have access to academic support sessions. Students may reach out to their instructor or Program Chair at any time with questions, concerns, or to request additional information about the academic support services provided by NCC.

**Academic Support Sessions**

Various types of academic support sessions are available to students. Each session type has a different focus and purpose (e.g. tutoring is offered to support students in need of assistance with reviewing challenging course content, while make-up sessions are offered to support students who missed a scheduled class session and are seeking attendance credit). Students who want to attend an academic support session may register themselves for an available session using the calendar feature within NCC’s learning management system.
Career Services

Policy Statement

Currently attending students and graduates have access to career services as described below. Students and graduates may reach out to their assigned Career Services Advisor at any time with questions, concerns, or to request additional information about the career services provided by NCC.

Career Advising

Currently attending students have access to career advising services. The career advising process begins approximately halfway through a student’s program of study and focuses on professional development activities. The career advising process includes resume writing activities, interview practice activities, discussions about career prospects, externship preparation activities (if applicable), and licensure preparation activities (if applicable). Students must actively participate in the career advising process to remain eligible for continued assistance.

Career Placement Assistance

Eligible graduates who have completed all programmatic and institutional graduation requirements have access to career placement assistance. Currently attending students do not have access to career placement assistance. Please note, while every attempt will be made to help graduates find employment upon completion of their program, career placement assistance offered by NCC is not a guarantee of employment.

The career placement assistance process begins at the conclusion of each graduate’s program of study. Career Services Advisors initiate contact with graduates seeking employment on a weekly basis via phone call or email to offer career placement assistance services. If a graduate does not respond to contact attempts by their assigned Career Services Advisor for over eight weeks, they will be considered out of contact. NCC will discontinue weekly contact attempts at that time, and the graduate will not be eligible for continued assistance until they re-establish contact with their assigned Career Services Advisor.

Graduates are expected to actively and independently apply for jobs throughout the career placement assistance process. For graduates who actively engage with their assigned Career Services Advisor, the support services provided include interview practice and guidance, guidance about online employment search techniques, resume support, and assistance with employment negotiations.

Career Services Advisors may also provide referrals for interview opportunities based on availability and employer candidate profiles, but these referrals are not guaranteed. Please note, NCC does not guarantee referrals for interview opportunities outside of the Las Vegas Greater Metropolitan Area. If you are planning to relocate after graduation, please contact your assigned Career Services Advisor to discuss what options are available to you.

Upon receiving notification that a graduate has secured employment in the field, NCC is required to verify employment information for accreditation reporting purposes at least fifteen (15) calendar days after the graduate’s employment start date. At that time, NCC will also attempt to collect compensation data from the graduate and/or the employer for reporting purposes. NCC uses individual wage and employment data collected from graduates and employers to inform its projections of graduate earnings and employment success. However, NCC is not able to guarantee graduates a particular wage since earnings are based on factors outside of NCC’s control such as experience, company profile, and industry trends.

I’m beyond happy with all my accomplishments thanks to this school and staff. They are so motivating and positive. The hands-on training made it so easy for learning!!

Victoria Attardo-Ward
Graduate of the 2018 Medical Assistant Program
### Certification and Credentialing

*(Updated policy language is available in Addendum G)*

**Policy Statement**

Currently attending students and graduates have access to assistance in their pursuit of certification and credentialing applicable to their program of study. Students and graduates may reach out to NCC’s Certification Management Representative at certification@northwestcareercollege.edu at any time with questions, concerns, or to request additional information about the certification support services provided by NCC.

*Programs not listed do not currently offer a certification or credentialing exam.

**The only pathway to employment in this program is passing a Licensing Examination as required by the applicable regulatory body in the State of Nevada.
Geographic Considerations

NCC has designed its programs to support graduates seeking employment in the State of Nevada. Students planning to relocate out of state after graduation may have different certification and/or credentialing requirements that they must complete to work in their field of study than those available to NCC graduates. Understanding the requirements of certification and/or licensure for their field of study in an alternative geography is each individual student’s responsibility. Please refer to the Educational Requirements for Employment Disclosure document for more detailed information.

Eligibility Considerations

Each sponsoring organization has different eligibility considerations for individuals seeking certification or credentialing. These generally include the certification or credentialing applicant passing the applicable exam and graduating from an approved training program, but may also include a requirement for the student to complete an approved CPR provider course or to submit information regarding their personal background (e.g. criminal background history). Students with prior felony convictions or serious misdemeanors may be denied the opportunity to take certification or credentialing exams by the sponsoring organization. NCC does not have the authority to approve certification or credentialing exam applications.

Please contact NCC’s Certification Management Representative at certification@northwestcareercollege.edu and/or the sponsoring organization directly for additional information about candidate eligibility criteria.

Financial Considerations

Each student enrolled in the programs listed above has one exam fee included in the cost of their program that can be used with the corresponding sponsoring organization. If a student fails to schedule their exam within the approved testing timeframe provided by the sponsoring organization, fails to appear for their scheduled exam appointment, or fails to pass the exam on their first exam attempt, the student will be responsible for the payments associated with any additional exam attempts.

NCC is not financially responsible for any additional exam attempts, nor will NCC provide a financial credit towards exam fees for certification or credentialing outside of those listed in the Student Catalog. Please note, exam registration and testing deadlines vary by program, but in all cases, student eligibility for unused exam fees expire within six months of graduation.

Please contact NCC’s Certification Management Representative at certification@northwestcareercollege.edu at any time with questions, concerns, or to request additional information about these financial considerations.

Exam Registration and Scheduling

Certification and credentialing exam registration is monitored closely by NCC’s Certification Management Representative and by NCC’s faculty members. Students are typically provided with an opportunity to complete the exam registration process under supervision of an NCC faculty member during a class session.

While NCC offers assistance with exam registration, students are ultimately responsible for scheduling any and all certification or credentialing exam attempts in accordance with the requirements of the sponsoring organizations. Please note, exam registration and testing deadlines vary by program. Students should contact NCC’s Certification Management Representative at certification@northwestcareercollege.edu at any time with questions, concerns, or to request additional information about the certification support services provided by NCC.

Exam Accommodations

NCC will provide assistance with the application process to any currently attending student seeking testing accommodations for their certification or credentialing exam. Please refer to the Accessibility and Accommodations section for additional information.

Alternative Exam Providers

NCC affiliates with the sponsoring organizations listed above for the provision of certification and credentialing exams for its students. Students should note that they may be eligible to pursue certification and credentialing exams offered by alternative sponsoring organizations upon graduation from their program of study; however, exam fees included in NCC’s program costs only apply to the certification or credentialing application process for the sponsoring organizations listed above and are not able to be applied to alternative exam applications.
Licensure

Policy Statement

Currently attending and graduates have access to assistance pursuing licensure applicable to their program of study. Students and graduates may reach out to their assigned Career Services Advisor at any time with questions, concerns, or to request additional information about the licensure support services provided by NCC.

*Programs not listed do not currently have an in-field licensure option.

**Licensure is required to gain in-field employment in Nevada for graduates of these programs.

Geographic Considerations

NCC has designed its programs to support graduates seeking employment in Nevada. Students planning to relocate out of state after graduation may have different licensure requirements that they must complete in their field of study than those required in Nevada. Each student is responsible for determining the licensure requirements for their field of study if they are planning to relocate after graduation. Please refer to the Educational Requirements for Employment Disclosure document for more detailed information.

Eligibility Considerations

Each state regulatory agency has different eligibility considerations for individuals seeking licensure. These generally include the licensure applicant graduating from an approved training program and disclosing information regarding their personal background (e.g. child support status, criminal background history). NCC does not have the authority to grant licensure and strongly recommends that any students with concerns regarding licensure to contact their assigned Career Services Advisor and/or the state regulatory agency directly for additional information.

Financial Considerations

Each student enrolled in the programs listed above has one State of Nevada licensure fee included in the cost of their program. If a student fails to complete the licensure process or is denied by the state regulatory agency, the student is required to resubmit their application to the state regulatory agency, and is responsible for paying any and all associated fees. NCC is not financially responsible for any additional fees incurred by the student, nor will NCC provide a financial credit towards licensure fees for students who relocate after graduation and choose not to pursue licensure in the State of Nevada. Student eligibility for any unused licensure fees expire within six months of graduation.

Nevada State Licensure Applications

NCC students, upon completion of all graduation requirements for their program, meet the occupational licensing qualifications outlined by the Nevada state regulatory agencies responsible for employment in their field of study.

The Nevada occupational licensure application process is monitored closely by NCC’s Career Services Department and is considered a part of the Career Advising Process. Students are oriented to the Nevada licensure process, directed to the relevant state regulatory agency websites, and encouraged to review the license application, qualifications, and renewal process on their own. Students’ assigned Career Services Advisor will provide administrative assistance with all parts of the application submission process.
Although NCC offers assistance with the licensure application process to ensure students are able to meet employment requirements in Nevada in a timely manner, students are ultimately responsible for completing the application process, responding to any and all correspondence from state regulatory agencies/Career Services, and understanding the additional requirements needed to obtain licensure. Delays in licensure approval may occur if a student fails to actively participate in the process with their Career Services Advisor and the relevant state regulatory agency.

**Out of State Licensure Applications**

Licensure fees included in NCC's program costs only apply to the Nevada state licensure process and are not able to be applied to out of state licensure applications.

Students who are interested in applying for occupational licensure outside of Nevada are encouraged to review the process outlined on the applicable state regulatory agency’s website as soon as possible to familiarize themselves with the process and ensure that they will meet the qualifications as an NCC graduate. Students should note that additional documentation and/or evidence of training may be required by state regulatory agencies outside of Nevada. Students and graduates may request assistance with securing such documentation in support of their licensure application in a different state by emailing registrar@northwestcareercollege.edu.

**Conduct Policy**

**Policy Statement**

This policy is designed to reflect industry standards related to professional conduct in the fields associated with NCC programs of study. NCC students are expected to demonstrate professional conduct at all times while on NCC’s campus, at an affiliate’s facility, and any other time they are wearing their NCC uniform.

**Description**

Examples of unprofessional conduct that would constitute a violation of this policy include but are not limited to:

1. All forms of academic dishonesty (including cheating, plagiarism, or forgery).
2. Theft, deliberate destruction, damage, misuse, or abuse of private or public property.
3. Physical abuse (including sexual abuse and all other forms of violence) of another person.
4. Verbal abuse (including threats of violence and the use of discriminatory language, hate language, ethnic slurs, or personal insults) of another person.
5. Intimidation, harassment, coercion, or any other behavior that endangers the physical or psychological health of another person.
6. Bringing dangerous items such as firearms or other weapons onto NCC’s campus or into an affiliate’s facility.
7. Inappropriate behavior that causes a disruption of academic, administrative, or business activities.
8. Bringing children, guests, or animals onto the NCC campus while attending a class session or a formal meeting with an NCC staff or faculty member.
9. Failure to follow instructions from NCC staff or faculty who are acting within the scope of their employment at NCC.
10. The use of any tobacco-based products or devices indoors while on the NCC campus or at an affiliate’s facility.
11. The possession of, the use of, or being under the influence of alcohol, marijuana, medical marijuana, or other controlled substances while on NCC’s campus or at an affiliates’ facility. Regardless of state law, medical marijuana remains illegal under federal law. Use of marijuana can negatively impact students’ eligibility to file for financial aid.
12. Violation of health and safety rules and regulations while on the NCC campus or at an affiliate’s facility.
13. Improper use of e-mail and Internet access, including violation of federal software piracy regulations.
14. Inappropriate use of cell phones, smartwatches, or mobile devices while on the NCC campus or at an affiliate’s facility.
15. Unauthorized presence in or forcible entry into the NCC campus or at an affiliate’s facility.
If a student demonstrates unprofessional conduct unbecoming to the student’s chosen profession or to NCC’s professional standards, the following steps will be taken in response to the conduct violation:

1. The employee who identifies the unprofessional conduct will provide a verbal coaching or warning directly to the student to explain why their conduct was unprofessional.

   While employees are expected to provide verbal feedback regarding unprofessional conduct directly to the student whenever it is reasonably achievable, employees may need to issue written feedback to the student in lieu of verbal feedback if they are unable to speak with the student privately regarding their conduct at the time of the violation or shortly thereafter.

2. The employee will then document the coaching or warning in the student’s school record.

3. An administrator will then review the coaching or warning documentation in the context of the remainder of the student’s conduct record to determine the appropriate course of action.

   The Academic Affairs Department will perform the conduct review process if the student’s conduct is related to classroom or other campus activities, while the Career Services Department will perform this step if the student’s conduct is related to externship preparation or externship coursework.

4. Depending on the nature of the unprofessional conduct and the remainder of the student’s conduct record, the administrator may affirm the coaching or warning, escalate the incident to a conduct warning or probation, or recommend administrative withdrawal of the student.

   Conduct violations are not segregated by type of infraction. The student’s conduct record is evaluated holistically when assessing the appropriate course of action after a conduct violation.

   First offenses of unprofessional conduct typically result in a verbal coaching, but NCC reserves the right to proceed immediately to a conduct warning, a conduct probation, or administrative withdrawal of a student without documentation of prior conduct violations if NCC believes the inappropriate behavior warrants additional disciplinary action.

   Students are considered in progress while on conduct probation and remain eligible for financial aid.

5. The administrator will issue a written determination to the student regarding the conduct violation once their review of the student’s conduct record is complete.

   Students who are administratively withdrawn from their program of study due to unprofessional conduct will receive written correspondence notifying the student of the date of determination for their withdrawal, their right to appeal the administrative withdrawal determination, and their right to apply for re-entry into the program.

### Social Media Conduct Policy

**Policy Statement**

Social media platforms are websites and applications that enable users to create and share written, video, or other multimedia content in order to participate in social networking. Examples of social media platforms include but are not limited to:

- Snapchat
- TikTok
- Instagram
- Facebook
- LinkedIn
- Twitter
- Reddit
- YouTube
- Pinterest
- Tumblr
- Review Sites (e.g. Yelp!, Google)

It is now common practice for businesses to evaluate the activity of prospective and current employees on social media platforms. All individuals participating in the workforce must therefore operate under the assumption that their personal activity on these platforms will be treated as a representation of their professionalism and are used to assess the viability of their prospective or continued employment.

This policy contains guidelines designed to reflect industry expectations related to professional conduct on social media platforms in the fields associated with NCC programs of study. Currently enrolled students, students on externship, and graduates are required to abide by this policy and the social media guidelines outlined below.
Social Media Guidelines

To remain in compliance with the Social Media Conduct Policy, individuals are expected to demonstrate appropriate behavior and avoid inappropriate behavior as outlined in the guidelines below.

### Appropriate Behavior

- Complying with all requirements of the social media platform(s) where they maintain an active account.
- Identifying their views as their own.
- Ensuring that the content associated with their account(s), including content posted about their experience in the classroom or at NCC-sponsored events, is consistent with industry professionalism expectations.
- Adjusting their account settings so that they can review comments made by other people before the comments appear on their account(s) and delete/block inappropriate content.
- Maintaining awareness of their connection to NCC, its students, and its affiliates when engaging with social media platforms.
- Portraying NCC, its employees, and its affiliates in a fair, accurate, and legal manner.
- Using social media platforms appropriately while on NCC’s campus.
- Getting consent from everyone within a picture that they approve of the picture prior to posting it on a social media platform.

### Inappropriate Behavior

- Incorporating ethnic slurs, personal insults, profanity, obscenity, pornographic images, or portrayals of any conduct that would not be acceptable in the professional workplace.
- Posting proprietary, copyrighted, defamatory, libelous or obscene content (as defined by the courts).
- Posting confidential, sensitive, or personally identifiable information regarding NCC, its students, its employees, its affiliates, or patients/clients of NCC or an affiliate without the express written consent of the party in question.
- Using NCC logos and graphics without express written consent from NCC's Chief Executive Officer unless reposting NCC's original content without alteration.
- Claiming or implying they are speaking on NCC's behalf without express written consent from NCC's Chief Executive Officer.
- Portraying themselves as an NCC employee.
- Attempting to connect with NCC employees on social media while enrolled in school or less than six months after the conclusion of their enrollment.
- Using social media platforms while inside of an affiliate's facility without express written consent from a supervisor at the affiliated facility.
- Using affiliates' logos and graphics without express written consent from a supervisor at the affiliated facility.
- Claiming or implying they are speaking on the affiliate's behalf without express written consent from a supervisor at the affiliated facility.
- Portraying themselves as an employee of an NCC affiliate while on externship.
- Attempting to connect with employees of an NCC affiliate during externship or less than six months after the conclusion of their enrollment.
Consequences of Misconduct

Currently enrolled students who violate the Social Media Conduct Policy guidelines will be subject to the disciplinary process outlined in the Conduct Policy. The consequences of such violations may include a verbal or written warning, a conduct probation, or administrative withdrawal from their program.

Currently enrolled students who violate the Social Media Conduct Policy guidelines while on externship at an affiliated facility may be subject to additional disciplinary action beyond the consequences listed above, such as dismissal from their externship site, failure of the externship course, or administrative withdrawal from their program.

Currently enrolled students or graduates who violate patient or client privacy with an electronic device may be subject to disciplinary action enforced by the agencies responsible for HIPAA or FERPA enforcement.

Campus Security  (Updated policy language is available in Addendum G)

Policy Statement

NCC is committed to providing a safe learning and working environment for its students, employees, and visitors. Safety is a community wide effort which requires awareness and diligence. On the campus of NCC, we take care to minimize potentially unsafe situations through our policies and procedures as well as encouraging everyone to take responsibility for their own security.

In order to support the safety of the campus community, NCC maintains at least one Campus Security Officer on site during its hours of operation. NCC also maintains video cameras throughout campus facilities to facilitate verification of reports regarding misconduct or criminal behavior.

Annual Security Report

NCC publishes detailed information about the following campus security topics in its Annual Security Report:

- Scope and responsibilities of campus security authorities;
- Crime prevention and awareness programs;
- Crime reporting protocols;
- Emergency response and evacuation procedures; and,
- Campus crime statistics.

NCC distributes a disclosure to all prospective students with information about the availability of the Annual Security Report, a summary of its contents, detailed information about its location on NCC's website, and instructions for requesting a hard copy. NCC re-distributes this information annually to all currently attending students each September.

Incident Reporting Information

Any person within the NCC community may report an incident to the Security Department. The Security Department will attempt to protect the confidentiality of the individual filing the incident report to the fullest extent of the law. The Security Department will also attempt to maintain as confidential any accommodations or protective measures implemented as a result of the incident report, to the extent that maintaining such confidentiality would not impair the ability of NCC to investigate or address the incident or provide the accommodations or protective measures.

Incidents may include:

- Acts of misconduct or criminal behavior on campus.
- Acts of misconduct or criminal behavior at a non-campus location controlled by NCC.
- Acts of misconduct or criminal behavior at an off-campus event hosted by NCC.
- Acts of misconduct or criminal behavior by a student or an employee perpetrated against another student or another employee, regardless of the location of the incident.
- Personal security concerns that require special accommodations or protective measures.
- General concerns about the health and wellbeing of another member of the NCC community.
The Security Department can be reached in person, by mail, by text message, by telephone call, or by e-mail using the contact information for NCC's Security Department listed below:

<table>
<thead>
<tr>
<th>Office Location</th>
<th>Security Department Office</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>(Located at 2440 Professional Court)</td>
</tr>
<tr>

<td><a href="mailto:security@northwestcareercollege.edu">security@northwestcareercollege.edu</a></td>
</tr>
</tbody>
</table>

Reports may be made directly to the Security Department or by any other means that results in the Security Department receiving the person’s verbal or written report. Furthermore, reports may be submitted via email at any time, including during non-business hours.

### Tobacco Policy

**Policy Statement**

NCC prohibits the use of tobacco, tobacco products, vaporizers, and electronic cigarettes at all times while inside campus facilities, within 50 feet of the front entrance to campus facilities, or while at an affiliate’s facility. Use of these products is only allowed in designated areas located outside of campus facilities.

### Alcohol and Controlled Substances Policy

**Policy Statement**

NCC strictly prohibits the possession, use, sale, disposal, manufacturing, or distribution of alcoholic beverages, controlled substances, or drug paraphernalia while on NCC’s campus, at an NCC-sponsored event, at an affiliate’s facility, and any other time students are wearing their NCC uniform. Currently enrolled students who violate the Alcohol and Controlled Substances Policy will be subject to the disciplinary process outlined in the Conduct Policy.

This policy is designed to reflect industry standards related to professional conduct in the fields associated with NCC programs of study and to ensure NCC’s compliance with the federal requirements outlined in the Drug-Free Schools and Communities Act of 1989 and its Title IV Federal Financial Aid Program Participation Agreement.

Please note, NCC is obligated to prohibit the possession, use, sale, disposal, manufacturing, or distribution of all federally controlled substances to remain in compliance with federal regulations, despite local and state laws that may authorize the use of specific controlled substances (i.e. marijuana). A complete list of controlled substances can be located on the Drug Enforcement Administration’s website.

**Enforcement Information**

If an NCC employee identifies a student who has an odor, appearance, or demeanor which suggests they may be under the influence of alcohol or a controlled substance (including marijuana), they are expected to take the following actions:

- If the student is on campus attending a scheduled class session, the employee should report the student to the associated Program Chair or Lead Instructor so that they may speak to the student regarding the incident. If the Program Chair or Lead Instructor determines that there is a reasonable concern about the student’s ability to safely participate in classroom activities, the student will not be permitted to continue with the class session and additional disciplinary action may be taken.

- If the student is on campus for an administrative appointment, the employee should report the student to the associated department Director. If the department Director determines that there is reason to believe the student is under the influence of a controlled substance, the student will not be permitted to attend the administrative appointment and additional disciplinary action may be taken.
Abuse Prevention Programs

NCC provides information about alcohol or controlled substances abuse prevention programs to new employees during orientation and new students prior to matriculation.

NCC also publishes detailed information about the following alcohol and controlled substances topics in its Annual Security Report:

- Standards of conduct related to the use of alcohol and controlled substances;
- Possible legal sanctions and penalties related to the use of alcohol and controlled substances;
- Health risks associated with alcohol and controlled substances abuse;
- Referral information for community programs available to students and employees that can assist in the prevention of alcohol or controlled substances abuse; and,
- Disciplinary consequences for violations of the standards of conduct.

This information is also available in the Drug and Alcohol Abuse Prevention Program disclosure on the Institutional Disclosures page of NCC’s website.

Eating and Drinking

Eating food is not allowed in Classrooms but is permitted within Break Rooms and Common Areas. Drinking beverages is allowed in NCC classroom facilities, depending on the location and nature of beverage.

<table>

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. Students have the following rights under FERPA:

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day NCC receives a request for access. A student should submit to the registrar a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the NCC in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee.
A school official also may include a volunteer or contractor outside of the NCC who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the NCC.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the NCC to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW, Washington, DC 20202

Schools may disclose, without consent, “directory” information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. See the list below of the disclosures that postsecondary institutions may make without consent.

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student —

- To other school officials, including teachers, within the [School] whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(11))
To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))

To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))

To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

Complaints and Grievances

All students with complaints or grievances are encouraged to report their concerns to NCC so that NCC can investigate their concerns according to the following resolution procedures. The following steps need to be taken to begin the complaint process:

1. Students should first discuss their concerns directly with the involved parties to attempt resolution.

2. If direct resolution of the concern(s) is unsuccessful, students must report their intention to file a complaint by sending an email to complaints@northwestcareercollege.edu to request a Complaint Form within three (3) business days of the initial attempt at resolution. Students must further complete the Complaint Form within three (3) business days of receipt.

3. The student must identify the category and the rationale for their complaint and submit supporting documentation as applicable.

4. Complaints are reviewed initially by the supervisor of the impacted area and secondarily by an escalated supervisor if needed to provide support with the proposed resolution.

The assigned executive will review the Grievance Form and any supporting documentation within five (5) business days of receipt. Written notification of the decision regarding the grievance will be sent to the student within ten (10) business days after receipt of the grievance, except in the case of a pending investigation, in which case the response may require an additional (10) business days.

Once a final determination about a complaint or grievance is made, action may or may not be taken as part of the proposed resolution. All associated forms and supporting documentation are added to the student’s file, the relevant employee’s file if applicable, and maintained in a separate incident file.

If the grievance cannot be resolved between NCC and the student directly, the student may contact the Nevada Commission on Postsecondary Education in writing at 2800 E. St. Louis, Las Vegas, NV 89104 or by phone at 702-486-7330. The student may also submit a written complaint to the institution’s accreditors using the ABHES Complaint Form, which is available from ABHES or at www.abhes.org. The written complaint and supporting documentation must be emailed to Complaints Specialist, info@abhes.org, or mailed to Complaints Specialist, 7777 Leesburg Pike, Suite 314 North Falls Church, Virginia 22043. Complaints must be made within 90 days of the last event that is material to the complaint.

Additionally, other than for a grievance related to grades, students are encouraged, but not required, to utilize the Grievance Procedure described herein prior to proceeding with a demand for arbitration or legal recourse.
**Guests on Campus**

Students must request prior written approval from the Director of Education to bring a guest to the campus facilities. Unauthorized guests are not permitted and will be asked to leave if present on campus. Students may not bring their children to class or leave them alone in the common areas of the NCC campus facilities.

**Immunization Policy**

Students with a Programmatic Admissions Requirement to submit immunization records must submit the following documentation to the Student Development Department within 90 days of their start date:

1. Hepatitis B Vaccination
2. Measles, Mumps, and Rubella Vaccination
3. Negative TB skin test, Interferon Gamma Release Assay, or negative chest x-ray

Failure to submit records within the first 90 days of enrollment will result in a Conduct Violation. Please see the Conduct Policy for additional information.

Externship sites or employers may require additional vaccinations, such as the Varicella, TDAP, or flu vaccines, to consider a student for externship or a graduate for employment. Students are responsible for complying with all externship site requirements for their assigned site. NCC is not financially responsible for any additional requirements requested by externship sites or employers.

**Non-Discrimination Policy**

NCC believes that everyone has the right to learn in an atmosphere free from discriminatory practices, including sexual harassment and harassment based on race, religion, gender, color, sex, age, national origin, disability, marital status, sexual orientation, gender identity, veteran status, or any other legally protected status. NCC strives to maintain an environment in which all individuals are treated with respect and dignity and does not discriminate in the recruitment of students or in the implementation of its policies and procedures.

NCC has a zero-tolerance policy for discrimination of any kind by students or employees. Students should immediately report suspected or confirmed instances of discrimination to the Education Department. The Education Department will investigate all such reports in accordance with NCC’s Grievance Policy.

**Professional Appearance Policy**

**Policy Statement**

This policy is designed to reflect industry standards related to professional appearance in the fields associated with NCC programs of study. This policy also takes into account workplace safety standards related to professional attire within these fields.

NCC students are expected to maintain a professional appearance at all times while on NCC’s campus, at an affiliate’s facility, and any other time they are wearing their NCC uniform. Such an appearance is essential to professional success. This policy is not exhaustive and students are encouraged to err on the conservative side when in doubt.

Externship sites or employers may assign to complete their externship course at an affiliate’s facility that has more restrictive professional appearance expectations than NCC. This policy does not supersede the policies of those affiliates. Students are expected to fully comply with those expectations if instructed to do so by the affiliate.

Students who are unable to comply with NCC’s or its affiliates’ professional appearance expectations are encouraged to submit a request for accommodations as described in the Student Accommodations Policy.
Description

General expectations for all students related to attire and accessories include:

1. Students are expected to wear approved attire (minimally a professional top, bottoms, and shoes) at all times while attending class sessions on campus or at an affiliate’s facility.

   Students who are in a “conditionally accepted” status are expected to comply with the expectations detailed here and during their new student orientation. Students are expected to fully comply with the uniform requirements below upon matriculation into their program of study.

2. Students may choose to wear additional, approved accessories while attending class sessions on campus or at an affiliate’s facility.

3. All attire and accessories worn must be stain- and wrinkle-free.

4. No attire or accessories worn may contain holes, rips, or tears.

5. No attire or accessories worn may be brightly colored, nor may they contain patterns, writing, or logos if not NCC-branded.

6. Any attire or accessories not explicitly identified below as “approved attire” are considered “unapproved” unless “approved” via the Student Accommodations Policy.

Expectations for students who choose to wear accessories include that the accessories worn comply with the general expectations listed above related to all attire and accessories, as well as the following accessory-specific guidance:

1. Accessories may not obscure the student’s vision or otherwise interfere with the student’s ability to safely or effectively practice skills during class sessions. Furthermore, accessories may not obscure the student’s face or head or otherwise interfere with others’ ability to identify the student while on campus.

2. Jewelry may be worn in compliance with requirements below:

   i. Jewelry should be kept minimal.
   
   ii. Large or brightly colored jewelry may not be worn.
   
   iii. Exposed body and facial piercings must be covered or removed.

   iv. Gauges should be removed or must be closed with plugs matching skin tone.
   
   v. Nose studs are approved during on-campus class sessions but are not approved during externship or during interviews.

3. Head coverings may be worn in compliance with the requirements below:

   i. Solid-colored, non-patterned cultural or religious head coverings may be worn on campus.
   
   ii. Hats may be worn on campus but are generally restricted to outdoor use and may not be worn while inside of campus facilities.
   
   iii. Hair maintenance coverings may not be worn on campus.

4. Sunglasses may be worn in compliance with the requirements below:

   i. Sunglasses may be worn on campus but are generally restricted to outdoor use and may not be worn while inside of campus facilities.

5. Outwear may be worn in compliance with the requirements below:

   i. Jackets, blazers, sweaters, or lab coats may be worn on campus (depending on the student’s program of study).
   
   ii. Other forms of outerwear may not be worn on campus.

General expectations for students who participate in an interview or externship experience at an affiliate’s facility include:

1. Students may wear alternative professional tops, outerwear, bottoms, or shoes if approved to do so by the affiliated site and if they are in accordance with the site’s Professional Appearance policies. In such circumstances, students should minimally dress in business casual attire, which could include casual slacks and skirts, collared shirts, blouses, or sweaters. Inappropriate attire includes but is not limited to athleisure/sportswear, cargo shorts, light blue jeans, or tattered clothing.

2. In all cases, clothing must meet the general expectations for attire and accessories outlined above and must be worn in a way such that students’ torso, shoulders, genitals, buttocks, nipples, and undergarments are covered with opaque material. Students are expected to exercise good judgment and err on the side of caution when in doubt.
Program specific expectations for students in each of NCC’s programs are listed below. Required categories of attire and specific required items are identified with an asterisk (*).

Professional Grooming Standards

1. Students must practice good personal hygiene habits.
   
   i. Regular showers and deodorant use are required.
   
   ii. Detectable odors (e.g., body odor, smoke odor, perfumes or colognes) are not acceptable.

2. Hair must be clean, styled professionally, and well-maintained.
   
   i. Hair color must be of natural tones; non-natural colors are not acceptable.
   
   ii. Nose, ear, and facial hair must be neatly trimmed or maintained.

3. Fingernails must be clean, trimmed in accordance with industry expectations, and, if decorated, painted in a solid color.
   
   i. Acrylic or gel nails are not permitted for students enrolled in high-contact clinical programs (Dental Assistant, Massage Therapy, Medical Assistant, Pharmacy Technician, and Phlebotomy Technician).
   
   ii. Use of nail polish is not permitted for Massage Therapy students.

4. Tattoos must be professionally maintained.
   
   i. Visible tattoos on the face and neck must be covered with clothing or make-up.
   
   ii. Visible tattoos on the body must be covered with clothing or make-up if they are perceived as offensive. While this may not be possible during all lab procedures, it is expected at all other times.
   
   iii. Expectations for visible tattoos may vary based on the externship site and employer.

5. Make-up, including false eyelashes, must appear professional and natural in styles and colors. Bright or excessively dark make-up is not acceptable.

   Administration and faculty are responsible for enforcing the dress code, grooming standards, and general rules about personal appearance. Even if not explicitly prohibited in this policy, clothing or personal appearance may be deemed inappropriate by employees of NCC. Inappropriately dressed students will not be permitted to return to class until the violation is resolved.

Sexual Harassment Policy

Harassment is verbal or physical conduct that denigrates or shows hostility or aversion towards an individual because of his or her protected status, or that of persons with whom the individual associates.

NCC prohibits sexual harassment including, but not limited to:

1. Coerced sexual acts;

2. Touching or assaulting an individual’s body, or staring, in a sexual manner;

3. Graphic, verbal commentary about an individual’s body or sexuality;

4. Unwelcome or offensive sexual jokes, sexual language, sexual epithets, sexual gossip, sexual comments or sexual inquiries;

5. Unwelcome flirtations, advances or propositions;

6. Continuing to ask an individual for a date after the individual has indicated that he or she is not interested;

7. Sexually suggestive or obscene comments or gestures;

8. The display of graphic and sexually suggestive objects, pictures, or graffiti or any computer-generated sexually explicit pictures or graffiti;

9. Negative statements or disparaging remarks targeted at one’s gender (either men or women), even if the content of the verbal abuse is not sexual in nature; or

10. Any form of retaliation against an individual for complaining about the type of behavior described above or supporting the complaint of the alleged victim.

Individuals who believe they are being harassed or discriminated against should notify the alleged offender that his or her behavior is unwelcome and attempt to resolve the issue with that person directly. They should also report the incident immediately to the Title IX Coordinator or a Campus Security Officer.

NCC will not retaliate against any individual who makes a report of perceived harassment or discrimination, nor will it permit such behavior by any students or employee at NCC. Retaliation is a serious violation of NCC policy, and those who feel they have been subjected to any acts of retaliation should immediately report such conduct to a Student Development representative or follow the Grievance Policy procedures.
Title IX Policy
(Updated policy language is available in Addendum G)

Policy Statement

NCC does not discriminate in its employment practices or in its educational programs or activities, including admissions, on the basis of sex/gender pursuant to Title IX of the Education Amendments of 1972. Title IX protects students, employees, applicants for admission and employment, and other persons from all forms of sex discrimination, including discrimination based on gender identity or failure to conform to stereotypical notions of masculinity or femininity in education programs and activities in federally funded schools at all levels. For more information, see the US Department of Education Office of Civil Rights Title IX Resource Guide.

NCC strictly prohibits the students and employees from participating in sexual harassment or the crimes of dating violence, domestic violence, sexual assault, and stalking as those terms are defined for the purpose of the Clery Act. The definitions of these terms and the term, “consent,” in reference of sexual activity can be found in the NCC Annual Security Report.

Title IX Reporting Procedures

Details regarding the following policies related to sex discrimination and sexual harassment may be found in the NCC Annual Security Report:

- Victim Rights;
- Victim Confidentiality;
- Procedures Victims Should Follow if a Crime of Dating Violence, Domestic Violence, Sexual Assault, or Stalking Has Occurred;
- Procedures for Reporting Sexual Harassment or a Crime of Dating Violence, Domestic Violence, Sexual Assault, or Stalking That Has Occurred on the NCC Campus (includes information on supportive measures provided by NCC);
- Procedures for Institutional Disciplinary Action in Cases of Alleged Dating Violence, Domestic Violence, Sexual Assault, or Stalking;
- Standards of Evidence Disclosure;
- Sanctions and Protective Measures; and
- Rights of the Accuser and the Accused.

Title IX Reporting Information

Any person within the NCC community may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment) to the Title IX Coordinator.

The Title IX Coordinator will attempt to protect the confidentiality of the individual making the report to the fullest extent of the law. The Title IX Coordinator will also attempt to maintain as confidential any accommodations or protective measures implemented as requested to the extent that maintaining such confidentiality would not impair the ability of NCC to investigate or address the incident or provide the accommodations or protective measures.

Title IX violations can be reported in person, by mail, by telephone call, or by e-mail using the contact information listed below. These violations can also be reported by using the Title IX Reporting Form. Reports may be made directly to the Title IX Coordinator or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. Furthermore, reports may be made at any time, including during non-business hours.
Student Health Services  *(Updated policy language is available in Addendum G)*

NCC does not provide health services for students or externs. In the event of a student medical emergency, an alerted staff member will dial 9-1-1 for medical services. Students requiring non-emergency medical care will be given information about medical services or agencies they may contact.

Student Housing

NCC does not have dormitory facilities or other housing facilities for students.

Determination of Student Location  *(Updated policy language is available in Addendum G)*

NCC uses each student’s mailing address as the basis for the determination of their physical location.

At the time of enrollment, NCC uses the mailing address provided by the student on their Application for Admission to determine their physical location. Prospective students who reside outside the State of Nevada may enroll while living elsewhere but are not eligible to attend classes prior to relocation in-state. Prospective students must provide an updated mailing address to the Admissions Department prior to attending classes so that their new physical location can be determined, and their student record can be updated accordingly.

Once a student matriculates into a program of study, NCC notifies students that it is their responsibility to inform NCC of any changes to their physical location. Students are required to notify NCC of any relocations by contacting the Registrar via email at registrar@northwestcareercollege.edu and providing their updated mailing address. Students who relocate out of state while enrolled at NCC may not continue attending classes but may be eligible for a Leave of Absence if they anticipate the relocation is temporary.

This policy applies to all students participating in a program of study at Northwest Career College, regardless of whether they have enrolled under a blended or full distance delivery method.

Northwest Career College was a pleasure to be at. The staff, the instructors, and all other employees really showed me how much they cared for each and every one of us. I’ve never had a school experience like this one. And I appreciate it all from the bottom of my heart. If you want a great education, this is the place to go.

Antoinette “Nettie” Owens
Graduate of the 2020 Phlebotomy Technician Program
and Future Graduate of the 2020 Medical Assistant Program.
Changes in Programs or Policies

NCC reserves the right to make changes in program content, materials, schedules, sequence, or location in order to improve its educational offerings and/or respond to changing industry demands or professional requirements. NCC may be required to make changes in programs or policies when federal, state, or accrediting changes affect current students. If the change results in a new program, students will be given the option to change to the new program or to complete their original program.

Classroom Ratios

The student to faculty ratio will not exceed 25 students per faculty member in online lecture sections and 20 students per faculty member in laboratory courses. Certain laboratory sessions and procedures may maintain a smaller student to faculty ratio in accordance with accreditation requirements.

Definition of an Academic Year

The academic year consists of a minimum of 36 weeks of instruction in which a full-time student is expected to complete at least 36 quarter credits.

Definition of a Clock Hour

One clock hour is a 60-minute period of time consisting of 50 minutes of instruction with an approximate 10-minute break.

Definition of a Quarter Credit Hour

NCC is a quarter credit hour school. Credit Hours awarded for each course are determined as follows in accordance with ABHES accreditation requirements:

- 10 Lecture Clock Hours = 1 Lecture Credit
- 20 Laboratory Clock Hours = 1 Lecture Credit
- 30 Externship Clock Hours = 1 Lecture Credit

Billable credit hours for Department of Education (DOE) financial aid purposes are determined as follows:

- 25 Clock Hours = 1 Lecture Credit

To comply with the equivalencies identified above, NCC uses the following policy for all Title IV eligible programs:

1. One quarter credit shall consist of 25 hours of instruction.
2. Each quarter credit in an externship course shall consist of 25 hours of direct clinical experience.
3. Each quarter credit in a non-externship course must include a minimum of 20 clock hours of direct instruction with a maximum of 5 hours of out of class work counted for each 20 hours of direct instruction.
Attendance/Tardiness Policies

(Updated policy language is available in Addendum G within the Attendance Policy)

Policy Statement

NCC requires that all students achieve satisfactory attendance whether or not they are receiving financial assistance. NCC maintains detailed attendance records for each student. Students may review their attendance records at any time by opening the “My Attendance” page within the “My Academics” section of their student portal. Students should contact their assigned Academic Advisory if a discrepancy in their attendance records is identified in order to request assistance with resolving the issue.

Attendance Definitions

“Excused Absence” is defined as an absence in which the student contacts NCC via their school-assigned.edu email address to provide appropriate prior notice of their absence with an explanation and documentation, as applicable. This does NOT mean that the student is given attendance credit for the missing class session, as if they attended.

“Unexcused Absence” is defined as an absence in which the student misses class without appropriate prior notice of their absence.

“Tardy” is defined as any time a student is more than 5 minutes late to class or leaves early from class.

“Make-Up Attendance” is defined as instructor certified attendance for which the student will receive credit for class hours they have missed.

Attendance Requirements

NCC maintains a minimum attendance requirement of 75% for each academic term. Failure by a student to satisfy these minimum attendance percentages during an academic term will result in the student being placed on attendance probation for the duration of the next academic term. Students who do not satisfy the requirements of an attendance probation will be reviewed in accordance with the Probation Policy below.

NCC expects students to be on-time to scheduled classes when in attendance. Tardiness is disruptive to the learning environment and repeated infractions will result in disciplinary action.

Make-Up Attendance

Students may attend make-up sessions on campus to regain credit for missed attendance. Make-up sessions are pre-scheduled and must be completed during the term when the absence occurred. The Academic Affairs Department is responsible for ensuring make-up attendance is recorded when earned by a student.

If a make-up student is unable to participate in the class due to an injury, the student must schedule the make-up session when permitted to do so by their physician. However, all make-up work must be completed in a manner that ensures Satisfactory Academic Progress.

Academic Policies

(Updated policy language is available in Addendum G within the Academic Honors Policy and the Grading Policy)

Graduation Honors are awarded to those students with exceptional academic performance while enrolled at NCC. The following scale is used to award honors:

1. High Honors: 3.5 – 4.00 CGPA
2. Honors: 3.0 – 3.49 CGPA

Failure to maintain a cumulative grade point average (GPA) of 2.0 is defined as unsatisfactory academic progress.

Grading Policy

Courses are graded on either a letter grade or a pass/fail basis. Final grades are distributed to students via their learning management system and their student portal upon completion of each term and are permanently recorded in the institution’s student information system at that time. Students may review their current course grades at any time within NCC’s learning management system and may review their final course grades for any previously completed courses at any time by opening the “My Grades” page within the “My Academics” section of their student portal.
Letter-Grade Courses

Grade assignments use the following scale:

<table>
<thead>
<tr>
<th>Letter-Grade</th>
<th>Percentage</th>
<th>GPA-Equivalent</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90% - 100%</td>
<td>4.0</td>
</tr>
<tr>
<td>B</td>
<td>80% - 89%</td>
<td>3.0</td>
</tr>
<tr>
<td>C</td>
<td>70% - 79%</td>
<td>2.0</td>
</tr>
<tr>
<td>F</td>
<td>Below 70%</td>
<td>0.0</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawn</td>
<td>0.0</td>
</tr>
<tr>
<td>TC</td>
<td>Transfer Credit</td>
<td>Not Calculated</td>
</tr>
</tbody>
</table>

Pass / Fail Courses

Pass/Fail grades are calculated into the student GPAs by treating “Pass” as a 4.0 and “Fail” as a 0.0 in GPA calculations. The hours attempted will be included in the rate of progress for the measurement of Satisfactory Academic Progress.

Incomplete Grades Policy

The institution does not award incomplete grades. All course grades are finalized within three (3) business days of the end of the term. Students who do not pass a course or the requirements of a scheduled course are awarded an “F”.

Making Up a Failed Course Policy

If a student receives an “F” grade or an “W” in a course, he or she must repeat and successfully pass the course prior to the end of the 150% maximum time frame to avoid administrative withdrawal. Students repeating a failed or incomplete course will not receive credit for previous work and must complete all course requirements to pass the course.

Repeated Course Policy

Students will be allowed to repeat courses as required by NCC due to academic or attendance concerns and only as scheduling permits. Students are permitted to repeat courses under the following conditions:

1. Students who have attempted a course may repeat the course two additional times (three total attempts).

2. The grade received on the repeat attempt becomes the final grade, supersedes the previous grade, and will be included in cumulative GPA calculations. Both attempts will be recorded on the transcript.

3. Students who do not successfully pass a required course after three attempts will be administratively withdrawn from the program.

All course attempts are considered credits attempted and used in determination of Satisfactory Academic Progress and the student’s maximum time frame for completion of the program.

“

This college is the greatest. They take care of their students very well, and train them so well for the field they will be in, it is incomparable. The teachers are very dedicated. The career services department is very committed. They do amazing work and everything possible to help to get you a great job.

Stephaney Roundtree
Graduate of the 2018 Phlebotomy Technician Program
Satisfactory Academic Progress Policies

NCC requires that all students maintain Satisfactory Academic Progress (SAP). Students may demonstrate that they have maintained SAP by meeting the quantitative and qualitative standards established below. These standards address the minimum GPA and the minimum rate of completion students must attain at specific points in their program as they progress towards graduation.

<table>
<thead>
<tr>
<th>Percent of Program Attempted</th>
<th>Minimum Cumulative GPA</th>
<th>Minimum Rate of Completion</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 - 49.9%</td>
<td>1.00</td>
<td>50%</td>
</tr>
<tr>
<td>50 - 150%</td>
<td>2.00</td>
<td>67%</td>
</tr>
</tbody>
</table>

NCC evaluates students’ SAP at the end of each payment period. The timelines for regularly scheduled SAP evaluations are listed below. Please note, the current payment period is extended when a student fails a course in any of the programs listed below with an asterisk next to their name in accordance with Title IV regulations.

Program                                | Scheduled SAP Evaluations  
----------------------------------------|-------------------------------|
Business Administrative Assistant       | 20 Weeks, 36 Weeks            |
Dental Administrative Assistant         |                               |
Dental Assistant                        |                               |
Legal Assistant                         |                               |
Medical Assistant                       |                               |
Medical Administrative Assistant        |                               |
Medical Billing and Coding              |                               |
Pharmacy Technician                     | 20 Weeks, 38 Weeks            |
Massage Therapy                         | 20 Weeks, 40 Weeks            |
Business Administration                 | 12 Weeks, 24 Weeks, 36 Weeks, 48 Weeks, 60 Weeks, 72 Weeks, |
Criminal Justice                       |                               |
Healthcare Administration               |                               |
Paralegal Studies                       |                               |

If a student is determined to have Unsatisfactory Academic Progress based on the standards above, the student may be placed on Financial Aid Warning, Financial Aid Probation, or may be administratively withdrawn based on the criteria explained below.

I recommend the Pharmacy technician training program at Northwest Career College if you are eager to receive the best guidance from counselors and teachers who care about the future ahead of us!

Kristah Blue
Future Graduate of the 2021 Pharmacy Technician Program
If a student did not meet the SAP standards at the end of their first payment period or if the student successfully met the SAP standards during the payment period immediately preceding the payment period where they did not meet the SAP standards, the student will be placed on Financial Aid Warning for the duration of the next payment period. Students on Financial Aid Warning will remain eligible for FSA funding. Students will receive academic advisement during this time to improve their academic performance.

NCC will then re-evaluate the student’s SAP at the end of the next payment period as part of its regularly scheduled SAP evaluation process. Students who meet the SAP standards at the end of the payment period when they were on Financial Aid Warning will be determined to have met SAP and will be placed back in good standing. Students who do not meet the SAP standards at the end of the payment period when they were on Financial Aid Warning will be notified of this determination and the fact that this makes them ineligible for FSA funding if they take no additional action.

When a student loses FSA funding due to a failure to meet SAP standards, they are given an opportunity to submit an appeal to be placed on Financial Aid Probation. Students may appeal such a determination due to injury or illness, the death of a relative, or other special circumstances. The appeal must explain why the student failed to make satisfactory progress and what has changed in their situation that will allow the student to make satisfactory progress at the next evaluation. If the appeal is accepted, the student will be placed on Financial Aid Probation for the duration of one payment period by default.

If NCC determines, based on the appeal, that the student should be able to meet the SAP standards by the end of the subsequent payment period, the student will be placed on Financial Aid Probation without an academic plan. NCC will then re-evaluate the student’s SAP at the end of the next payment period as part of its regularly scheduled SAP evaluation process to determine if the student has met the SAP standards. Students who meet the SAP standards at the end of the payment period when they were on Financial Aid Probation will be determined to have met SAP and will be placed back in good standing. Students who do not meet the SAP standards at the end of the payment period when they were on Financial Aid Probation will be administratively withdrawn effective immediately.

If NCC determines, based on the appeal, that the student will require more than one payment period to meet progress standards, NCC will place the student on Financial Aid Probation and develop an academic plan for the student. NCC will then re-evaluate the student’s SAP at the end of the next payment period as part of its regularly scheduled SAP evaluation process to determine if the student has met the requirements of the academic plan. If the student is meeting the requirements of the academic plan (or the universally applicable SAP requirements, outside of any individualized academic reinstatement plan), the student is eligible to receive Title IV aid for the subsequent payment period as long as the student continues to meet those requirements and is reviewed according to the requirements specified in the plan. Students who do not meet the requirements of their academic plan will be administratively withdrawn, effective immediately. Furthermore, students who met the requirements of their academic plan when assessed but subsequently do not meet SAP standards at the end of the payment period that coincides with the end of their academic plan will be administratively withdrawn effective immediately.

In addition to assessing SAP at the end of each payment period, NCC evaluates students’ academic progress the week following each academic term to assess compliance with maximum timeframe requirements. The maximum time frame for completion of a program may not exceed 1.5 times (150%) the total number of credits the student’s respective program as measured in credit hours attempted or weeks enrolled in the program, whichever is lesser.

If it is determined during one of these evaluations that it is impossible for a student to successfully complete the program with the minimum required GPA within the program’s maximum timeframe, the student will be administratively withdrawn from the program, effective immediately.

Credit Hour Evaluation

Academic credit and transfer credit courses are counted as credits attempted and earned and will count towards the maximum timeframe and rate of completion but are not counted in the cumulative GPA.

Audit courses and Remedial courses are not offered by NCC.

Pass/fail courses are counted as credits attempted and earned and will count towards maximum timeframe, rate of completion, and cumulative GPA calculations.

Failed courses and unsuccessfully repeated courses are counted as credits attempted but not earned and will count towards the maximum timeframe and rate of completion.

Successfully repeated courses are counted as credits attempted and earned and will count towards the maximum timeframe and rate of completion. Only the final grade of the repeated course will count in cumulative GPA calculations.

Student Clinic Policies

NCC publishes its policies related to the Massage Therapy Student Clinic Internship in its Student Clinic Handbook. NCC distributes a copy of this handbook and reviews it in detail with all Massage Therapy students prior to beginning MTB200 – Student Clinic. NCC reviews pertinent policies and updates with currently attending students during regularly scheduled meetings with the Massage Therapy Student Clinic Director. Massage Therapy students are expected to follow the guidelines published in the Student Clinic Handbook throughout their enrollment at NCC.
Externship Policies

(Updated policy language is available in Addendum G)

Externship is an opportunity for students to gain work experience in their field of study. Successful completion of externship is a graduation requirement for many programs offered by NCC (see the Program Information section of the catalog for details). The Career Services Department oversees externship preparation and management as well as site assignment for all programs. Designated faculty representatives from each program assist with clinical oversight and evaluation of students while on clinical experiences. Students are responsible for compliance with all externship requirements and policies listed below or announced in class by instructors. Students who have questions regarding externship should be directed to their program’s Career Services representative for more information.

Externship Scheduling

Students are scheduled to start externship after all academic pre-requisite courses and Career Services requirements have been completed. All students are required to be available to participate in externship for at least 24 hours per week but are encouraged to be available for 40 hours per week as many sites require students to complete full-time hours to be eligible for placement at their facility. Students must be available to complete the minimum required hours during regular business hours (8:00 am – 5:00 pm, Monday through Friday).

Students are typically scheduled to start externship on the first day of their final term. However, exact externship start dates depend on supervisor availability at clinical sites. On occasion, situations may arise within organizations serving as externship sites which cause delays between the end of classes and the beginning of externship. These delays will be minimized or avoided whenever possible.

Students returning from LOA to attempt their externship term are required to remain in regular communication with the Career Services department and Registrar to ensure adequate time for course registration and site assignment. Failure to do so may result in delays to the beginning of externship to a later term.

Externship Attendance

Students are expected to attend 100% of their scheduled externship hours and must receive prior approval from their externship supervisor and on-site supervisor for any absences. Unapproved absences and tardiness may result in failure of externship.

Externship Site Assignment

Externship Site Assignments are made by the Career Services Department based on site availability, student candidate profiles, and employer profiles. NCC does NOT guarantee that externship sites are hiring. Externship sites are located throughout the greater Las Vegas metropolitan area. Career Services makes every effort to place students in an externship site that fits their location preferences, but cannot guarantee a particular location for a particular student. Students should expect to travel between 20-40 minutes on average for externship. Site assignment is final and decided by the Career Services Department.

All externship sites are required to go through an affiliation and screening process prior to students beginning training on-site. Sites are chosen based on an evaluation of site personnel, facilities, location, availability, and quality of learning opportunities for students. Acceptable externship sites must agree to provide exposure to clinical activities discussed during the visit prior to obtaining institutional affiliation. The planned program of activities is based upon a list of clinical competencies maintained by the institution.

Students should be aware that some facilities have additional requirements that must be met prior to placement, such as drug tests or criminal background checks. Students are financially responsible for completion of these requirements if they wish to complete their externship at such a facility; the institution does not pay for student drug tests or criminal background checks.
Staff Responsibilities

The Career Services Department is responsible for site assignment, documentation management, and professionalism coaching. Career Services and designated faculty representatives maintain weekly contact with externs and externship supervisors to monitor attendance and progress. Designated faculty representatives perform pre-site visits to assess potential sites and will have a mid-way progress report discussion with the site supervisory staff while the student is actively training. Career Services staff is available at any time for questions or concerns for both students and site supervisor staff.

Extern Responsibilities

Externs are required to remain in contact with their Career Services Advisor throughout the externship process. All absences must be approved in advance by both the site supervisor and NCC Career Services Advisor. Students are required to provide weekly feedback to their Career Services Advisor regarding their learning experience on site to ensure planned activities are being completed. Students may request reassignment of externship training to a different site if they believe they are not receiving adequate training at the site. These requests will be evaluated by the Director of Career Services on a case by case basis.

Site Responsibilities

Externship sites are required to submit weekly evaluations of the student’s attendance and performance based on standards set by NCC. Students who do not perform at an acceptable level while on externship may be dismissed from their site at the discretion of the facility supervisor. Such dismissals will be evaluated on a case by case basis by the Director of Career Services to determine whether they constitute grounds for failure of the course or recommendation for administrative withdrawal from the program.

Mandatory Preparation Time

Mandatory preparation time for externship is estimated between 30-45 hours. Mandatory preparation activities conducted during the student’s program include externship orientation, resume/portfolio preparation exercises, interview preparation seminars and mock interviews, interviews with externship sites, and specialty specific reading recommendations from program faculty (site dependent).

Mandatory assignments are given by the Career Services Department to prepare for these activities and their time on externship and must be completed to successfully complete the course. Externs are expected to review material related to hands-on activities performed at their externship site to reinforce skills and background knowledge throughout the course.

Externship Grading

Externship is graded on a Pass/Fail basis. A description of the methods of evaluation can be found in each program’s externship course syllabus. Externs will be expected to be active participants in on-the-job training, communicate effectively with supervisor staff, submit externship paperwork within deadlines, and perform in accordance with the professional standards taught at NCC throughout their externship.

I would recommend this school to anyone. They really care about each and every student. They help you with anything you need, all you have to do is ask. The school is always clean and they’re always improving on things to make sure everyone gets the education they need. They use up-to-date technology and the instructors are very knowledgeable in what they teach. They follow up with you after you graduate, they don’t just forget about you. They make sure you are doing good at your job and they will help find you a job if you need one. I did the dental assisting program and it was a great experience. Great and friendly staff and they really know how you make you comfortable. Definitely an awesome school.

Marissa Malnar
Graduate of the 2018 Dental Assistant Program
Status Change Policies  *(Updated policy language is available in Addendum G)*

Students requesting a Status Change should contact the Registrar via email at registrar@northwestcareercollege.edu for assistance.

**Leave of Absence Policy**

At times, a student may not be able to complete his or her entire program of study in a continuous manner due to medical, financial, or personal reasons. Under such circumstances, a student may request to take a Leave of Absence (LOA) by submitting a Leave of Absence Request form and applicable supporting documentation to the Registrar’s office for consideration.

NCC discourages students from taking an LOA unless truly necessary to minimize disruptions to the educational experience. Students may spend no more than 180 days on LOA in any 12-month period while enrolled in any program offered at NCC. Requests are assessed on an individual basis so that students can discuss their current academic and financial standing with an NCC representative.

Requesting an LOA does not guarantee it will be granted by NCC. NCC considers the student’s attendance, academic, and conduct history prior to approving any LOA request.

NCC will administratively withdraw any students not in attendance on their scheduled return date from an LOA and who have not extended their LOA. Any student who is withdrawn due to a failure to return from an LOA will have Return to Title IV and Institutional Refund calculations performed in accordance with NCC’s Refund Policy and Return to Title IV Policy.

Transfer Policy

Students may request to delay their start date or transfer shifts without penalty during their Conditional Acceptance period by contacting their assigned Enrollment Specialist to discuss updating their enrollment.

Students may request to transfer shifts after the Conditional Acceptance period by contacting the Registrar via email at registrar@northwestcareercollege.edu and submitting a Shift Transfer Request form. Requesting a Shift Transfer does not guarantee it will be granted by NCC. NCC considers the student’s attendance, academic, and conduct history as well as class capacity for the requested shift prior to approval. NCC also verifies that the student can complete the program within the 150% maximum time frame prior to approving any Shift Transfer Requests. Shift Transfer Requests must be approved in advance in writing by the Registrar to be considered in effect.

Students currently or previously enrolled in Associate Degree-level programs at NCC may request to transfer between Associate Degree-level programs at any time after completion of their first academic term. Program Transfer requests are evaluated by the Registrar and are not guaranteed approval. NCC evaluates criteria related to the student’s academic progress to assess whether a student is eligible to transfer between programs.

Graduation Policy

Students must complete the requirements below to be eligible for graduation. Students will not receive their official transcripts or diploma until all requirements have been satisfied:

1. Provide documentation of all admissions requirements.
2. Complete all courses within the program of study.
3. Meet all Satisfactory Academic Progress requirements.
4. Pay all tuition and fees in accordance with the Enrollment Contract.
5. Submit all documents requested by the Financial Aid Department, including Exit Counseling.

I have just graduated from Northwest Career College, the Medical Billing & Coding Program and would recommend this school to any and everyone that wants to better themself!

Evelyn Jone
Graduate of the 2018 Medical Billing and Coding Program
Administrative Withdrawal Policy

NCC reserves the right to administratively withdraw any student prior to the completion of the program for any of the reasons below:

1. Unsatisfactory Attendance due to the failure to attend a satisfactory percentage of classes over a period of two or more academic terms or due to a failure to attend class for 14 consecutive calendar days while actively enrolled in school.

2. Unsatisfactory Academic Progress due to the failure to complete graded work for 14 consecutive calendar days while actively enrolled in school, due to multiple consecutive failed courses in conjunction with a determination by the instructor(s) that the student is not well-suited for the chosen profession and/or will be unable to successfully find employment in the field, or due to the failure to meet SAP requirements while on Financial Aid Warning (absent an appeal) or while on Financial Aid Probation.

3. Unsatisfactory Conduct. Warnings regarding unacceptable conduct are issued in accordance with the Student Conduct Policy. However, NCC reserves the right to administratively withdraw a student due to conduct issues without prior warning(s), depending on the severity of the incident. Examples of conduct issues which would warrant administrative withdrawal include:
   a. Unprofessional Demeanor. Failure to abide by the program's Classroom Policies or comply with team member requests. Failure to maintain professional decorum while on campus. Behaving in such a manner that is harmful to the program, the profession, or NCC.
   b. Unethical Behavior. Lying to a team member. Failure to abide by the industry's Code of Ethics. Cheating, stealing or other fraudulent actions.
   c. Unsafe Behavior. Consuming alcohol or illegal drugs on the NCC premises or attending class under the influence of alcohol or illegal drugs. Bullying or intimidating other students and/or NCC team members.

4. Unsatisfactory Attendance, Academic Progress, or Conduct while at Internship/Externship.

5. Failure to complete the program within the maximum allowable time frame of 150% of the projected program length. This timeframe evaluated excludes any time spent while on Leave of Absence and holidays.

6. Failure to fulfill financial responsibilities in accordance with the enrollment agreement and any additional financial contracts or payment plans signed.

7. Failure to return as scheduled from a Leave of Absence.

Any student who is administratively withdrawn has the right to appeal or apply for Re-Entry. Any student who is administratively withdrawn from the school will have a refund calculation performed in accordance with the Refund Policy. After the date of administrative withdrawal, the student will not be assessed further for Satisfactory Academic Progress. Students are encouraged to meet with a representative from the Financial Aid Department to discuss any questions regarding their loan repayment responsibilities and a representative from the Finance Department to discuss any financial obligations outstanding to NCC. Information from both offices will be sent to the mailing address on file with NCC if the student is unable to attend in person.

Course Withdrawal Policy

Students who cannot complete a course but desire to remain enrolled in the program will be required to take a Leave of Absence until they are able to resume their coursework. Students desiring to withdraw from the program in the middle of a term should follow the Program Withdrawal Policy below. In either case, when a student does not complete an academic term and withdraws from an in-progress course, the student will receive a “W” grade for that course. NCC reserves the right to deny the request if a student requests to voluntarily withdraw from their course during the final week of the term. Additionally, students must review their revised academic schedule with the Registrar to ensure they have time allocated for making up the withdrawn course. Please see the Making Up a Failed Course Policy above for additional information.
Program Withdrawal Policy

A student who wishes to withdraw from the program they are enrolled in must submit a written, signed and dated notice informing the school of his or her intentions. This may be done by meeting with the Registrar’s office and filling out a Withdrawal Form, or by submitting a letter of withdrawal. A student will not be considered withdrawn from the program without a written request. The effective withdrawal date shall be the date the student notifies the Institution of withdrawal in writing.

Any student withdrawing from the school will have a refund calculation performed in accordance with the Refund Policy. After the date of withdrawal, the student will not be assessed further for Satisfactory Academic Progress. Students are encouraged to meet with representative from the Financial Aid Office to discuss any questions regarding their loan repayment responsibilities and the Finance Department to discuss any financial obligations outstanding to NCC. Information from both offices will be sent to the mailing address on file with NCC if the student is unable to attend in person.

Re-Admission Policy

Students who have withdrawn or have been administratively withdrawn from NCC whose last date of attendance is over 6 months ago may reapply for admission by initially following the regular admissions procedures as detailed in this catalog. Additionally, the student must explain to the School Director or a qualified replacement what circumstances have changed from the time of withdrawal or administrative withdrawal to the time of readmission that would ensure that there would not be the need to withdraw from the program again.

In compliance with Title IX and Department of Education requirements, special consideration may be given for students who withdraw from a program due to pregnancy or military service/duty.

1. NCC will grant students who withdraw due to pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom the opportunity to seek academic credit for their previous work if they seek re-admission under the following circumstances:
   - Within six months of childbirth or the end of the pregnancy.
   - Within six months after the end of the recovery timeframe for a medical condition that resulted from the pregnancy.

2. NCC will grant students who withdraw due to military service the opportunity to seek academic credit for their previous work if they seek re-admission under the circumstances below. The student has to return to NCC within the following timelines:
   - For those students that complete their period of service, they must return within three years after completion.
   - For a student who is hospitalized for an injury incurred or aggravated by their term of service, the student must return no later than two years after their recovery from the injury.
   - Students who are dishonorably discharged or are commissioned officers that are dropped from the rolls or dismissed are not eligible to return under this policy.

   Please note that military service as specified above means service, whether voluntary or involuntary, in the Armed Forces (including National Guard or Reserve) on active duty, active duty for training, or full-time National Guard duty, or order to active duty.

3. Students who withdraw due to pregnancy or military service must contact NCC when they are ready to return to school and submit the appropriate documentation:
   - For pregnancy, acceptable documentation is from a physician showing that the student was on the leave due to pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom.
   - For military leave, acceptable documentation includes:
     - DD214 Certificate of Release or Discharge from Active Duty
     - Copy of duty orders
     - Letter from the commanding officer or someone of comparable authority
     - Certificate of completion from military training school
     - Discharge certificate
     - Payroll documents showing periods of service
Re-Entry Policy

Students who have withdrawn or have been administratively withdrawn from NCC whose last date of attendance is less than 6 months ago may apply for Re-Entry by contacting the Registrar via email at registrar@northwestcareercollege.edu. The student must complete the Re-Entry Request Form in accordance with the deadlines outlined by the Registrar. All eligible requests are reviewed at the next regularly scheduled meeting of the Re-Entry Committee. No new registration fee is required but a $50.00 re-entry fee must be paid in full prior to returning to class.

Students who are granted Re-Entry are not eligible to be placed on probation, request a Leave of Absence, or request a Shift Transfer once returning to school.

Probation Policy

A student may be placed on probation for various reasons, including but not limited to insufficient attendance, unsatisfactory academic progress, professional misconduct, or failure to submit required documentation to NCC. An initial probationary period is for the length of the following academic term. Students are considered in progress while on probation and are eligible for funding.

If the student corrects the stated deficiency prior to the end of the probationary period, the probation requirements will be considered satisfied and the probation will be terminated. If the student fails to correct the deficiency by the end of the probationary period but has demonstrated improvement, the probation may be extended for an additional academic term. If the student fails to demonstrate improvement during the initial probation period or fails to correct the deficiency by the end of the extended probationary period, the student will be administratively withdrawn from their program.

Students administratively withdrawn from their program at the end of their probationary period will receive notification documenting the date of administrative withdrawal and notifying the student of his or her right to appeal.

Appeals Policy

A student has the right to appeal the following actions or determinations:

1. Incorrect Course Grading
2. Improper Designation of Probationary Status
3. Improper Determination of Unsatisfactory Academic Progress
4. Improper Assessment of Administrative Withdrawal Determination

The following steps need to be taken to begin the appeal process:

1. Students must report their intention to file an appeal by sending an email to appeals@northwestcareercollege.edu to request an Appeal Form within ten (10) business days of the initial appealable action or determination. Students must further complete the Appeal Form within three (3) business days of receipt.
2. The student must identify the category and the rationale for their appeal and submit evidence of processing error or mitigating circumstances.
3. Appeals are initially reviewed by the Education Department (Reason 1) or the Registrar (Reasons 2 - 4) so that they can provide institutional background related to the issue to the Appeal Committee.

The original action or determination remains in effect while the appeal is being processed. The student may attend classes during the appeal process unless their presence is deemed detrimental to the classroom environment. All submitted documentation will be considered in the appeal process, including information submitted by the Registrar regarding overall attendance, academic standing, and rate of completion.

The Appeals Committee will review the Appeals Form and any supporting documentation within five (5) business days of receipt. Written notification of the decision regarding the appeal will be sent to the student within ten (10) business days after receipt of the appeal, except in the case of a pending investigation, in which case the response may require an additional (10) business days.
Outside Preparation Hours

In compliance with accreditation requirements, all didactic and on-site clinical courses require a minimum of five hours of outside preparation hours per quarter credit hour in the form of reading, homework assignments, and study time. Outside preparation hours are also required for externship courses. See Externship Policies for additional information https.

Transcript/Diploma Request Procedure

An unofficial transcript is defined as any copy of the student’s transcript that is not in a sealed envelope from the institution. Students may request an unofficial transcript by logging on to the Registrar Portal at https://registrar.northwestcareercollege.edu/. Such requests will be processed within fourteen (14) calendar days of receipt and will be processed at no charge to the student.

An official transcript is defined as a copy of the student’s transcript that is prepared by the Registrar, placed in a sealed envelope from the institution, and carries the NCC seal and signature of the Registrar. Students may purchase an official transcript for $5.00 by logging on to the Registrar Portal at https://registrar.northwestcareercollege.edu/. Such requests will be processed within fourteen (14) calendar days of receipt.

An official certificate or diploma is defined as a certificate or diploma that is prepared by the Registrar on designated diploma paper and carries an original NCC seal. Graduates will receive an email notification within thirty (30) days of program completion verifying that their official certificate or diploma is available for pick-up at the NCC campus. Graduates will receive their first official certificate or diploma free of charge. Additional copies of official certificates or diplomas may be purchased for $10.00.

Payments for transcripts, certificates, or diplomas may be made in the form of debit or credit card via the Registrar Portal. NCC reserves the right to withhold the certificate, diploma and/or transcript of any student who is not in good financial standing or has an outstanding balance on their account until the balance is settled.

Medical Incidents

A “medical incident” is defined as any act, error or omission by the student providing professional services which results in injury or property damage. Should a medical incident occur, the student is covered by the liability insurance held by NCC. A medical incident does not include personal injury. Therefore, should an incident occur that did not include injury to another person (student, instructor, visitor, etc.), the student is liable for all costs, be they medical or property.

Transferability Disclosure Policy

NCC cannot guarantee that credits earned at NCC will be accepted by another institution. The transferability of credits earned at NCC to other institutions is at the sole discretion of the receiving institution.

Program Termination Policy

NCC reserves the right to terminate a program offered by the institution at any time upon making the determination that it is no longer viable to continue offering the program.

Prior to terminating a program, NCC will determine if it can reasonably teach-out the currently attending students and students on an approved leave of absence from the program.

- If NCC determines it can reasonably teach-out the program, it will do so internally using existing program faculty and resources.
- If NCC determines it cannot reasonably teach-out the program, it will establish a transfer plan with another post-secondary institution to facilitate student completion of their program. It will then provide written notification to currently attending students and students on an approved leave of absence of its plans to terminate the program as soon as is reasonably achievable. Such notification will be provided at least 45 days in advance of the final day of instruction.

Furthermore, if NCC decides to terminate a program, it will immediately stop enrolling new students into the program and will immediately cancel the enrollment contracts for any prospective or conditionally accepted students to minimize the impact of teach-out arrangements.
**Computer Technical Skills**

All students must have basic Internet and computing skills to complete their program of study at NCC. These might include the following:

- Downloading and using an Internet browser
- Downloading a browser plug-in, such as a video player
- Posting to a discussion forum/board
- Downloading and saving a file to your computer
- Uploading a file by browsing your computer to locate a file
- Entering your responses in a web-form, such as an online quiz
- Sending emails to your instructor or peers

**Computer Requirements**

NCC provides a school-approved laptop to all new students upon matriculation, the cost of which is included in the total program cost. New students may not opt out of receiving a school-approved laptop.

Previous students who have recently received a school-approved laptop are eligible to request a laptop credit and use the original hardware provided to them by NCC. For the purposes of this policy, students who restart a program from which they had recently withdrawn, students who recently switched programs, or students who recently graduated NCC and then enrolled in a new program are eligible to request a laptop credit if their laptop remains in good working condition as assessed by NCC’s Information Technology Department. Students are considered to have “recently received” a laptop if their new start date is within eighteen months of their original start date.

**Internet Access Requirements**

Students must maintain an internet subscription that minimally provides 30 Mbps download speed and 10 Mbps upload speed.
BUSINESS ADMINISTRATION
Business Administration

Program Description

The Business Administration program is designed to qualify its graduates to pursue a career in various business settings. Individual didactic courses may be delivered via blended or full distance education. Instruction is provided with online lectures and hands-on experience conducted via web camera or in a classroom setting. Externship is conducted in a residential manner in a business administrative or professional setting.

Upon satisfactory completion of the program detailed below, students will be granted an Associate of Applied Science in Business Administration degree from NCC and will be qualified to obtain an entry to mid-level position in a business organization setting. A computer meeting the technical specifications listed under Computer System Requirements in the Academic Policies section of the catalog and internet access are required for completion of this program.

Program Length

72 Weeks

*Actual program length (in weeks) may vary due to holidays and scheduled administrative breaks.

Class Schedule

Monday - Thursday
6:00 p.m. - 10:00 p.m. (Night Shift)

I started at Northwest Career College in the fall of last year and I am very satisfied with the school as a whole. The educators are not only well versed in many areas but they really do go that extra mile to ensure the success of their students. With the unfortunate state of the country right now I was expecting complete chaos and confusion with the switch to distant learning; however, the switch-over seemed effortless. Across all departments, the staff has been amazing and I truly appreciate it!

Ruthie Shaw

Future Graduate of the 2021 Criminal Justice Program.

This is such an amazing school!! I previously went to a school that shut down without any warning a couple months before my graduation date. I had student loans and transfer credits that I was told couldn’t even be transferred to most schools. I wasn’t sure where to go or who to turn to. Northwest sat with me took the time to go over all my paper work, student loans and credits and worked me into their program so I didn’t have to start all over again! They are an amazing support team and have been there for me every step of the way! Now that I look back I’m so happy I got the opportunity to attend Northwest I’ve learned so much and have a forever home. Thank you NCC you are truly changing lives!!!

Program Description

The Legal Assistant program is designed to qualify its graduates to pursue a career in legal assisting and is designed for students with little or no experience in the legal field. Individual didactic courses may be delivered via blended or full distance education. Instruction is provided with online lectures and hands-on experience conducted via web camera or in a classroom setting. Externship is conducted in a residential manner at a legal or governmental facility.

Upon satisfactory completion of the program detailed below, students will be granted a diploma from NCC and will be qualified to become an accredited legal professional and obtain an entry-level position as a legal assistant in a law firm. A computer meeting the technical specifications listed under Computer System Requirements in the Academic Policies section of the catalog and internet access are required for completion of this program.

Program Length

36 Weeks

*Actual program length (in weeks) may vary due to holidays and scheduled administrative breaks.

Class Schedule

Monday - Thursday
6:00 p.m. - 10:00 p.m. (Night Shift)

Course List

Detailed course descriptions can be found in Addendum F - Course Descriptions. (Updated course requirements is available in Addendum G).

MASSAGE THERAPY
# Program Description

The Massage Therapy program will help prepare you for a career in massage therapy and is designed for students with little or no experience in massage procedures. The program is a blended learning program in nature and instruction is provided with lectures in the classroom or online, hands-on experience with instructor supervision for laboratory skills, and a clinical internship. Upon satisfactory completion of the program detailed below, students will be granted a diploma from Northwest Career College, which will qualify them to become a licensed massage therapist. Certification will qualify graduates to apply for a massage therapy license and start their own business or obtain an entry-level position as a massage therapist in a spa or healthcare facility. Computer and Internet Access are required to complete this course.

## Program Length

- **40 Weeks**

*Actual program length (in weeks) may vary due to holidays and scheduled administrative breaks.*

In addition to normally scheduled class sessions, students must participate in their Student Clinic internship experience each term. Internship hours are completed during non-class hours.

## Class Schedule

- **Monday - Thursday**
  - 9:00 a.m. - 1:00 p.m. (Day Shift)
  - 6:00 p.m. - 10:00 p.m. (Night Shift)

When you enter a new field, you need to be eager to learn and absorb the knowledge being taught. Northwest Career College gives us an excellent foundation to know what to expect in the legal field and how to apply those learned skill sets in a real-world setting.

Shindona “Dona” Mitchell  
Paralegal Studies Graduate 2018
PHARMACY TECHNICIAN
Pharmacy Technician

Program Description
The Pharmacy Technician program is designed to qualify its graduates to pursue a career in pharmacy technician and is designed for students with little or no experience in the pharmacy field. Individual didactic courses may be delivered via blended or full distance education. Instruction is provided with online lectures and hands-on experience conducted via web camera or in a classroom setting. Externship is conducted in a residential manner at one of a variety of healthcare facilities. Upon satisfactory completion of the program detailed below, students will be granted a diploma from NCC and will be qualified to become a certified pharmacy technician and obtain an entry-level position as a pharmacy technician. A computer meeting the technical specifications listed under Computer System Requirements in the Academic Policies section of the catalog and internet access are required for completion of this program.

Class Schedule
38 Weeks
Monday - Thursday
9:00 a.m. - 1:00 p.m. (Day Shift)
6:00 p.m. - 10:00 p.m. (Night Shift)

Course List

PHLEBOTOMY TECHNICIAN
Phlebotomy Technician

Program Description

The Phlebotomy Technician program is designed to qualify its graduates to pursue a career in a lab setting, physician’s office, or other public/private healthcare facility and is designed for students with experience in the medical field. Individual didactic courses may be delivered via blended or full distance education. Instruction is provided with online lectures and hands-on experience conducted via web camera or in a classroom setting. Upon satisfactory completion of the program detailed below, students will be granted a diploma from NCC and will be qualified to become a certified phlebotomy technician, obtain a Lab Assistant or Office Lab Assistant in the State of Nevada, and obtain an entry-level position as a phlebotomy technician. A computer meeting the technical specifications listed under Computer System Requirements in the Academic Policies section of the catalog and internet access are required for completion of this program.

Program Length

12 Weeks

*Actual program length (in weeks) may vary due to holidays and scheduled administrative breaks.

Class Schedule

Monday - Thursday
9:00 a.m. - 1:00 p.m. (Day Shift)
6:00 p.m. - 10:00 p.m. (Night Shift)

Course List

Northwest Career College has saved my life! This campus is not only an amazing place to learn a life-changing career, but EVERYONE including staff and students are warm and welcoming. Everyone always has a smile and something positive to say as you walk by. Northwest has a challenging curriculum that keeps you on your toes with help around every corner. Northwest is here for you to achieve your goals and help you through your program and even after you graduate!!! I would recommend Northwest Career College to anyone wanting to better themselves and achieve a life goal of success!!!

Kalesa Jones
Graduate of the 2020 Phlebotomy Technician Program

Education: Phlebotomist Diploma from Phlebotomy Learning Center of Las Vegas
Certifications: Certified Phlebotomy Technician (CPT), Licensed Laboratory Assistant

Caresse Pierre, CPT

Position: Phlebotomy Technician Instructor I
Education: Phlebotomy Technician Certification from Kofe Institute
Certifications: Certified Phlebotomy Technician (CPT), Licensed Laboratory Assistant
## 2022 Certificate Programs (12 Weeks)

- **Phlebotomy Technician**
  - Term Start Date: 01/10/2022
  - Add/Drop Date: 01/24/2022
  - Term End Date: 02/06/2022
  - Projected Graduation Date*: 04/03/2022

- **Dental Administrative Assistant**
  - Term Start Date: 02/07/2022
  - Add/Drop Date: 02/21/2022
  - Term End Date: 03/06/2022
  - Projected Graduation Date*: -

- **Business Administrative Assistant**
  - Term Start Date: 03/07/2022
  - Add/Drop Date: 03/21/2022
  - Term End Date: 04/03/2022
  - Projected Graduation Date*: -

- **Dental Assistant**
  - Term Start Date: 04/11/2022
  - Add/Drop Date: 04/25/2022
  - Term End Date: 05/08/2022
  - Projected Graduation Date*: 07/03/2022

- **Legal Assistant**
  - Term Start Date: 05/09/2022
  - Add/Drop Date: 05/23/2022
  - Term End Date: 06/05/2022
  - Projected Graduation Date*: -

- **Business Administrative Assistant**
  - Term Start Date: 06/06/2022
  - Add/Drop Date: 06/20/2022
  - Term End Date: 07/03/2022
  - Projected Graduation Date*: -

- **Phlebotomy Technician**
  - Term Start Date: 07/11/2022
  - Add/Drop Date: 07/25/2022
  - Term End Date: 08/07/2022
  - Projected Graduation Date*: 10/02/2022

- **Medical Administrative Assistant**
  - Term Start Date: 08/08/2022
  - Add/Drop Date: 08/22/2022
  - Term End Date: 09/04/2022
  - Projected Graduation Date*: -

- **Medical Assistant**
  - Term Start Date: 09/05/2022
  - Add/Drop Date: 09/19/2022
  - Term End Date: 10/02/2022
  - Projected Graduation Date*: -

- **Medical Billing and Coding**
  - Term Start Date: 10/03/2022
  - Add/Drop Date: 10/17/2022
  - Term End Date: 10/30/2022
  - Projected Graduation Date*: 12/25/2022

- **Medical Billing and Coding**
  - Term Start Date: 10/31/2022
  - Add/Drop Date: 11/14/2022
  - Term End Date: 11/27/2022
  - Projected Graduation Date*: 08/06/2023

- **Medical Assistant**
  - Term Start Date: 11/28/2022
  - Add/Drop Date: 12/12/2022
  - Term End Date: 12/25/2022
  - Projected Graduation Date*: 09/03/2023

BA201 – Public Speaking (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107
- **Description:** In this course, students will demonstrate the skills necessary to communicate effectively through exercises and presentations that reflect practical, real-world situations. The purpose of the course is to improve the student's skill in speaking publicly by providing relevant knowledge and opportunity to apply that knowledge.

BA202 – Organizational Behavior (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107
- **Description:** This course provides a comprehensive analysis of individual and group behavior in organizations. Its purpose is to provide an understanding of how organizations can be managed more effectively and at the same time enhance the quality of employees’ work life. Topics include motivation, rewarding behavior, stress, individual and group behavior, conflict, diversity, leadership, job design, organizational structure, decision making, communication and organizational change and development.

BA203 – Entrepreneurship (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107
- **Description:** In this course, students will be introduced to the concept of entrepreneurship. Students will acquire the knowledge of the nature and scope of entrepreneurship and understand the impact of entrepreneurship on market economies. Students will examine and develop the personal traits and behaviors fundamental to becoming a successful entrepreneur and will be exposed to the first steps of the entrepreneurial process including the development of business plans. In addition, students will develop an understanding of economic concepts and the marketing functions.

BA204 – Business Law (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107
- **Description:** In this course, students will be introduced to law and its application in the business world. The course covers business ethics; the judicial process and court systems; the constitutional grounds for business regulation; torts, personal, real, and intellectual property; contracts, sales, agency, employment law, business organizations including partnerships and corporations; and government regulation of business.

BA211 – Business Administrative Assisting Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107
- **Description:** The pass/fail externship gives each student the opportunity to apply their education in an affiliated professional facility while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more office or other professional settings.

BAA101 – Introduction to Business Administrative Assisting
(80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course describes the role of an administrative assistant in various business settings, the core administrative assisting skillset, ethical and legal considerations of a career in business administration, and career opportunities. Students are introduced to the different types of business ownership structures, common employee positions and organizational chart layouts, and other organizational considerations. This course also includes training during which students are introduced to computer usage, office equipment, troubleshooting, and business administration computer software.

BAA102 – Introduction to Business Writing I (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** BAA101
- **Description:** In this course, students will learn the written communication skills with an emphasis on understanding the writing process, reviewing basic grammar and punctuation concepts, and practicing writing for personal and professional applications. This course provides students with practical knowledge of business administrative writing and places an emphasis on effective email communication, agenda preparation, and recording meeting minutes.
BAA103 – Introduction to Business Writing II (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102
- **Description:** In this course, students will learn to effectively communicate and convey ideas to large numbers of people through formal communication portals such as email, office memos, and business plan proposals. In addition to business administrative writing skills, students will learn about information literacy and how to assess the validity of various internet sources. Upon completion of this course, the business administration student will be able to write proficiently, communicate effectively through writing, and be able to identify accredited sources when conducting online research.

BAA104 – Introduction to Business Math [ 80 Clock Hours / 7.0 ABHES Quarter Credit Hours ]

- **Prerequisites:** BAA101, BAA102, BAA103
- **Description:** This course presents an overview of various mathematics functions commonly performed in a business administrative position. Students are introduced to college math which includes graphing, fractions, and percentages and emphasizes word problems that simulate real-life business problems. Students will learn Microsoft Excel applications such as creating formulas, creating tables and graphs, and data validation. Students will also learn how to manage a financial point of sale (e.g. how to set up and accept payments). Finally, students will learn about the fundamental financial components of a business plan including profit and loss projections and operating budgets.

BAA105 – Introduction to Business Communications I (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104
- **Description:** This course explores the different forms of communication associated with a business administrative position. Students will learn to formally communicate with various populations they may encounter in business. This course focuses on communication with customers and coworkers and also provides an introduction to basic sales techniques. Upon completion of this course, students will be able to communicate professionally and effectively in a business environment.

BAA106 – Introduction to Business Communications II (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105
- **Description:** This course explores the different forms of communication associated with a business administrative position. Students will learn to formally communicate with various populations they may encounter in business. This course focuses on more advanced sales techniques as well as the development of marketing materials. Upon completion of this course, students will be able to communicate professionally and effectively in a business environment.

BAA107 – Introduction to Business Management (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106
- **Description:** This course provides the student with the basic elements of business management. This includes leadership and human resources. The student will be introduced to all levels of employment within a business and learn professional leadership skills. Upon completion of this course, students will understand the different parts of a business in order for a business to be functional and successful.

BAA111 - Microsoft Office for Business Professionals (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

BAA201 – Business Administrative Assisting Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** BAA101, BAA102, BAA103, BAA104, BAA105, BAA106, BAA107 and BAA111
- **Description:** The pass/fail externship gives each student the opportunity to apply their education in an affiliated professional facility while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more office or other professional settings.
CJ101 – Introduction to Criminal Justice (80 Clock Hours / 7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course introduces students to the criminal justice system and its three main components: law enforcement, the courts, and corrections. It reviews what constitutes a criminal offense, how crime is measured, and theories of crime causation. This course also looks at the issues and challenges facing today’s criminal justice system and examines possible future directions.

CJ102 – Introduction to Policing (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course gives students an overview of the police and their mission. It examines the evolution of policing as well as methods, issues, and challenges to present day policing. The course also looks at technology in the service of law enforcement, and explores the future of policing.

CJ103 – Introduction to Corrections (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course provides an overview of the field of corrections. It reviews prisons and jails, correctional policies, agencies, prison life, and challenges facing corrections.

CJ104 – Criminal Justice Ethics (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course provides students with the background and framework needed to recognize ethical decisions, assess the moral and ethical implications of various scenarios in the legal and law enforcement field, and explain the decision-making process behind their ethical assessments. It will introduce the theories of formalism and utilitarianism and explain their applications to crime, law, police enforcement, and the court system. Upon completion of this course, the criminal justice student will be able to explain the impacts of ethical decisions and develop a code of ethics necessary to succeed in the legal and law enforcement fields.

CJ105 – Criminal Law and Procedures (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course focuses on the constitutional rights of criminal defendants as interpreted by the U.S. Supreme Court. Students discuss Supreme Court decisions and identify their significance for the justice system.

CJ106 – Introduction to Security Management (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course provides students with an overview of security in society and security management. It examines the evolution and legal aspects of security as well as the fundamentals, sectors, and challenges to present day and future security. The course also focuses on leadership and management in security.

CJ107 – Legal Research and Writing (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** In this course, students will learn how to find and analyze the law relating to various kinds of legal issues, using both print materials and electronic databases. Students will also review writing basics and will learn correct formatting of correspondence and legal documents as they gain experience in preparing professional legal correspondence and other legal documents.

CJ111 - Microsoft Office for Criminal Justice Professionals (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.
Addendum F – Course Descriptions [Effective - 10/03/2022]

CJ201 – Victimology (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course provides students with an overview of victim-offender relationships and the justice system. It examines the history and evolution of victimology as well as the types of victims and crimes, consequences of victimization and advocacy for victims. The course also focuses on the legal rights of and restitution for victims.

CJ202 – Criminal Investigation (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course teaches students the fundamentals of criminal investigation by examining the processes involved in identifying and arresting criminal suspects, identifying the types of crimes and offenses, and in preparing for court.

CJ203 – Probation (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course focuses on adult and juvenile probation, parole, and related institutions.

CJ204 – Introduction to Homeland Security (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course focuses on the foundations of Homeland Security, including the origins of the national security apparatus and how it evolved into its current form to combat terrorism. It discusses intelligence and counterintelligence efforts and how these are used to combat terrorism at various levels. It also explores these topics as they relate to terrorist financing, the proliferation of weapons of mass destruction, and cybercrime prevention efforts. Finally, the course examines the Department of Homeland Security’s mandate to enforce border security and immigration laws.

CJ211 – Field Investigations (30 Clock Hours/2.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course gives students an opportunity to gain experience in criminal investigation techniques through real-life cold cases, wrongful convictions and missing and exploited children cases. Students are provided the opportunity to apply the knowledge and skills developed throughout their Criminal Justice Program to these specialized matters, working with experts in the field.

DA101 – Dental Office Administration (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course explains the role of the dental assistant within the dental industry and the ethical and legal considerations needed to safely work as a dental assistant. Additionally, this course will address how to successfully navigate communication issues with patients, coworkers and supervisors.

DA102 – Dental Anatomy and Disease (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101
- **Description:** This course begins with a review of head, neck, and oral anatomy. It continues with a review of the different types of dentition and numbering systems used in dentistry and a discussion of tooth morphology. The course then provides instruction on the different manifestations of dental disease, such as dental caries, periodontal disease, and other oral pathologies. Finally, the course reviews the impacts of nutrition on oral health and preventive dentistry techniques used to minimize the risk of oral disease.

DA103 – Health, Safety, and Infection Control (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102
- **Description:** This course introduces students to microbiology as it relates to the practice of dentistry, followed by a detailed review of disease transmission methods and disinfection and sterilization procedures. It continues with a discussion of waterline, chemical, and waste management, and the regulatory and advisory agencies that participate in enforcing standards related to these procedures. Finally, it includes a review of ergonomic considerations in the dental office.
DA104 – Medical Assessment and Documentation (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102, DA103
- **Description:** This course begins with a review of the basic components of the patient record and the proper documentation of patient medical histories and vital signs. It continues with an explanation of oral diagnosis and treatment planning and the adjustments needed to accommodate patient medication regimens or to support special needs and medically compromised patients. Finally, the course provides guidance for properly assisting with medical emergencies in the dental office.

DA105 – Clinical Dentistry I (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102, DA103, DA104
- **Description:** This course introduces students to the equipment typically found in a general dentistry setting, including dental operatories, dental hand instruments, and dental handpieces. It continues with a discussion of the moisture control and pain control techniques used in dentistry. The course finishes with a review of important radiography topics such as the equipment used in both intraoral and extraoral imaging, radiation safety protocols, and standard imaging procedures.

DA106 – Clinical Dentistry II (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102, DA103, DA104, DA105
- **Description:** This course introduces students to the materials typically found in a general dentistry setting, including dental liners, bases, bonding agents, cements, impression materials, and laboratory materials. The course continues with an introduction to restorative dentistry procedures, including instruction on the proper placement and use of matrix systems. The course concludes with an introduction to fixed prosthodontics and provisional coverage.

DA107 – Clinical Dentistry III (80 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102, DA103, DA104, DA105, DA106
- **Description:** This course introduces students to chairside assisting in the context of specialty procedures, covering the armamentarium and role of a dental assistant during removable prosthodontic, implant, endodontic, periodontal, surgical, pediatric, and orthodontic procedures.

DA111 - Microsoft Office for Dental Assistants (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

DA201 – Dental Assisting Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DA101, DA102, DA103, DA104, DA105, DA106, DA107, and DA111.
- **Description:** The pass/fail externship gives each student the opportunity to apply their education in a real-world dental office while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more general and/or specialty dentistry offices for a total of 180 hours.

Each extern will be expected to perform in accordance with the professional standards taught at Northwest Career College. Upon completion of this externship, each dental assisting student will have been exposed to the real world of dental assisting. A select number of local dental offices have been selected for their ability to successfully assist our students in their development through careful observation and teaching through hands-on training.

DAA101 – Introduction to Dental Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to dental terminology via a review of the basic word structure, along with prefixes and suffixes of common terms used in the dental industry. It also provides instruction on dental abbreviations, acronyms, symbols, and eponyms. It also begins the student’s introduction to anatomy and physiology by utilizing systems-based discussions to explain the organization and functions of the mouth. Students are introduced to examination, prevention, infection control, and handling emergency situations. Finally, it begins the student’s introduction to equipment, materials, and procedures.
Addendum F – Course Descriptions [ Effective - 10/03/2022 ]

DAA102 – Diagnostic and Procedural Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101
- **Description:** The course continues the student's systems-based instruction in materials and equipment by describing the various procedures and specializations associated with the various dental fields. It then advances the discussion of dental terminology in the context of oral, maxillofacial, cosmetic procedures. It further reviews the processes and materials associated with diagnostic tests and dental procedures. It finally introduces the student to business management procedures with regard to managing a dental facility.

DAA103 – Introduction to Dental Administration (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102
- **Description:** The course provides an introduction to the dental industry by describing the role of the Dental Administrative Specialist and the roles of other allied health professionals in the dental field. It introduces dental laws and ethics and addresses how they complement one another. Finally, the course provides an introduction to the basic responsibilities of the Administrative Dental Assistant and gives students the opportunity to learn the basic computer skills, telephone skills, and written communication skills needed to succeed in an office setting.

DAA104 – Communication in a Dental Office (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102, DAA103
- **Description:** The course introduces the different types of communication that exists in the dental office and how to effectively use communication skills to interact with patients and the dental healthcare team. It also provides how to write a professional business letter and how HIPAA affects written communication.

DAA105 – Health Information and Dental Records Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102, DAA103, DAA104
- **Description:** The course provides an overview of daily operations in a private dental office. It includes training in patient reception skills and scheduling. It also introduces dental records management, both paper and electronic. It continues by addressing privacy concerns in the dental field. Finally, it provides insight into health information usage, including health statistics and the importance of quality assurance and management.

DAA106 – Introduction to Billing, Coding, and Claims (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102, DAA103, DAA104, DAA105
- **Description:** The course provides an introduction to filing methods and inventory management. It also introduces dental insurance and documentation in electronic health records. It introduces and provides the proper recording guidelines for the CDT and ICD-10-CM diagnostic coding systems. Finally, it continues with a discussion of paper and electronic insurance claim forms and how to initiate the claims process.

DAA107 – Financial and Practice Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102, DAA103, DAA104, DAA105, DAA106
- **Description:** The course provides an introduction to banking services and procedures. It also addresses the basics of human resources and marketing in a private dental office. The course continues with an overview of financial and practice management. Finally, it introduces various office and insurance collection practices.

DAA201 – Dental Administrative Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107, and DA111
- **Description:** The externship is designed to give students the opportunity to apply their knowledge of administrative dental assisting, dental billing, scheduling, and practice management under the supervision of a dental office supervisor. Each extern will work in one or more dental facilities during their externship.

ENG101 – English Composition I (50 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course develops written communication skills with emphasis on understanding the writing process, analyzing readings, and practicing writing for personal and professional applications.
Addendum F – Course Descriptions [ Effective - 10/03/2022 ]

ENG102 – English Composition II (50 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course builds on the lessons learned in English Composition I. In addition to reviewing the writing process, students learn research techniques, citation techniques, documentation formats, and critical analysis of written topics.

HCA201 – Healthcare Law (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107 OR DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107
- **Description:** This course provides students with an overview of the laws and regulations specific to the health care industry. The course presents how ethics are intertwined in the healthcare system and discusses the future of health care.

HCA202 – Healthcare Finance (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107 OR DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107
- **Description:** This course provides a basic understanding of health care financial management. The course provides knowledge of accounting principles and tools to analyze the financial health of the organization. It will also present how financial principles can affect the decision-making process.

HCA203 – Human Resource Management in Healthcare (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107 OR DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107
- **Description:** This course provides an overview of the essential role of human resource management in a healthcare setting. The course presents a foundation for major elements in human resources, challenges presented in healthcare, and strategies to overcome them. It also provides information on how to plan and reform human resource practices.

HCA204 – Healthcare Management (60 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107 OR DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107
- **Description:** This course provides students with an overview of the basics of healthcare management. The course presents information on ethics, strategic planning, and cost management.

HCA211 – Healthcare Administration Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107 OR DAA101, DAA102, DAA103, DAA104, DAA105, DAA106, DAA107
- **Description:** The externship is designed to give students the opportunity to apply their knowledge of administrative medical assisting, medical billing and coding, and practice management under the supervision of a medical office supervisor. Each extern will work in one or more medical facilities during their externship.

HIST101 – American Government and the Nevada State Constitution (50 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course introduces students to the fundamentals of American government and politics focusing on the historical evolution of government and policies, the major institutions, and the major processes. Course goals include developing an interest in today's government and an understanding of policy development and politics. Topics include the Constitution, federalism, civil rights and liberties, the structure and processes of the three branches of government, political socialization, interest groups and public opinion, political parties and the election process, as well as basic US social, economic, and foreign policy.

LA101 – Introduction to the Law Office (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** This course presents the role of legal assistants in the legal system, legal assisting skills, legal working environments, ethical considerations, and career opportunities. Students are introduced to case management, calendaring, file management and legal technology.
LA102 – Introduction to Law (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101

Description: This course presents an overview of various substantive and procedural areas of the law and their corresponding legal practice area. Students are introduced to the sources of law, an overview of courts, alternate dispute resolution systems, and various substantive and procedural areas of the law.

LA103 – Introduction to Legal Research and Writing (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101, LA102

Description: This course is designed to provide students with a solid working knowledge of the tools in law libraries, including both state and federal primary and secondary materials. Students will find, analyze, and solve problems in the legal world. In addition, students will adapt the research material into legal memoranda and pleadings and communicate the results in a competent and ethical manner.

LA104 – Introduction to Legal Ethics (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101, LA102, LA103

Description: This course provides students with practical knowledge of the law of professional responsibility and how that law is applied to legal assistants. In addition to the general legal ethical concepts presented in the course, students will research individual state professional responsibility rules. Upon completion of this course, the legal assisting student will be able to recognize an ethical issue, categorize it, and research the possible solutions to the issue.

LA105 – Introduction to Contracts (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101, LA102, LA103, LA104

Description: This course provides students with a general overview and understanding of the elements of a contractual relationship/agreement, applicable laws related to contract negotiations and terms, and the remedies available if the relationship/agreement is breached.

LA106 – Introduction to Civil Law (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101, LA102, LA103, LA104, LA105

Description: This course explores the process and procedures associated with a civil case. It includes the initial client interview and fact gathering, preparations of pleadings, trial preparation, post trial procedure, ethical considerations for handling a civil law case, and the application of technology in the preparation and trial of a law suit.

LA107 – Introduction to Criminal Law (80 Clock Hours/7.0 ABHES Quarter Credit Hours)

Prerequisites: LA101, LA102, LA103, LA104, LA105, LA106

Description: This course provides the student with the basic principles and history of American criminal law, the elements of specific crimes, the procedures of the criminal justice process, and the constitutional rights of the accused.

LA111 - Microsoft Office for Legal Professionals (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

Prerequisites: None

Description: The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

LA201 – Legal Assisting Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

Prerequisites: LA101, LA102, LA103, LA104, LA105, LA106, LA107, and LA111

Description: The pass/fail externship gives each student the opportunity to apply their education in an affiliated legal facility while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more legal settings.

MA101 – Introduction to Medical Assisting (80 Clock Hours ~ 6 Quarter Credit Hours)
Addendum F  – Course Descriptions  [ Effective - 10/03/2022 ]

MA101 – Introduction to Medical Assisting (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** None
- **Description:** The course provides an introduction to the healthcare industry and the profession of Medical Assisting. The course then reviews the legal system and how it relates to the health care industry, with an emphasis on protection of Patient Rights (including Privacy). It also addresses the concept of medical ethics and how medical laws and medical ethics compare to one another. Finally, it discusses the front office responsibilities of a medical assistant, including telephone techniques, patient reception, and appointment scheduling.

MA102 – Medical Records and Insurance (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101
- **Description:** The course provides an introduction to technology in the medical office, with an emphasis placed on computers and electronic health records. It also briefly reviews the various paper records systems. It continues with a review of medical insurance, its role healthcare, and an introductory discussion of electronic billing and coding. Finally, the course concludes with a review of banking and financial management in the healthcare setting.

MA103 – Pharmacology and Patient Education (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101, MA102
- **Description:** The course provides an introduction to the principles of pharmacology such as different routes of administering medications and the various classification systems for recreational and prescription drugs. A basic mathematics review is included when addressing dosage calculations. The course addresses the communication challenges with patients and places an emphasis on effective patient education techniques. Finally, it concludes with a review of vital signs and medical emergencies.

MA104 – Body Systems and Medical Specialties I (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101, MA102, MA103
- **Description:** The course provides an introduction to cell biology and basic human physiology. The course then reviews the anatomy, physiology, and pathology of the integumentary system, the muscular system, and the skeletal system. Finally, the course reviews assisting with physical exams, minor surgical procedures, radiology procedures, and patients who have physical restrictions or are going through physical therapy and rehabilitation.

MA105 – Body Systems and Medical Specialties II (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101, MA102, MA103, MA104
- **Description:** The course reviews the anatomy, physiology, and pathology of the nervous system (including special senses) and the endocrine system. The course also reviews assisting with neurological exams, ear and eye care, mental health patients, and geriatric patients.

MA106 – Body Systems and Medical Specialties III (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101, MA102, MA103, MA104, MA105
- **Description:** The course reviews the anatomy, physiology, and pathology of the respiratory system, the circulatory system, the lymphatic system, and the immune system. The course then reviews concepts related to the spread of disease and infection control. Finally, the course reviews assisting with Pulmonary Function Tests, ECGs, Venipuncture, and Hematology/Blood Testing procedures in a clinical laboratory setting.

MA107 – Body Systems and Medical Specialties IV (80 Clock Hours – 6 Quarter Credit Hours)
- **Prerequisites:** MA101, MA102, MA103, MA104, MA105, MA106
- **Description:** The course reviews the anatomy, physiology, and pathology of the digestive system, the urinary system, and the reproductive system. The course also reviews assisting with educating patients about Nutrition, performing Urinalysis, and assisting with Urology and Gynecology procedures.
MA111 - Microsoft Office for Medical Assistants (40 Clock Hours – 4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

MA201 – Medical Assisting Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** MA101, MA102, MA103, MA104, MA105, MA106, MA107, and MA111
- **Description:** The pass/fail externship gives each student the opportunity to apply their education in an affiliated medical facility while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more healthcare facilities.

MAA101 – Introduction to Medical Administration (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the healthcare industry by describing the role of the Medical Administrative Specialist and the roles of other allied health professionals in the medical field. It provides an introduction to medical laws and ethics and addresses how they complement one another. Finally, the course provides an introduction to the basic responsibilities of the Administrative Medical Assistant and gives students the opportunity to learn the basic computer skills, telephone skills, and written communication skills needed to succeed in an office setting.

MAA102 – Health Information and Medical Records Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101
- **Description:** The course begins with an overview of the daily operations of a private medical office. It continues with training in basic patient reception skills and scheduling. It also provides an introduction to medical records management, both paper and electronic. It continues by addressing the complex issue of privacy concerns in the medical field. Finally, it provides insight into the way health information is used, the different types and functions of health statistics, and the importance of quality assurance and management.

MAA103 – Introduction to Medical Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102
- **Description:** The course provides an introduction to medical terminology via a review of the basic word structure, along with prefixes and suffixes of common terms used in the healthcare industry. It also provides instruction on medical abbreviations, acronyms, symbols, and eponyms. Finally, it begins the student’s introduction to anatomy and physiology by utilizing systems-based discussions to explain the organization and functions of the body.

MAA104 – Diagnostic and Procedural Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103
- **Description:** The course continues the student’s systems-based instruction in anatomy and physiology by describing the various pathologies and specialty procedures associated with the various body systems. It then advances the discussion of medical terminology in the context of specialty case reports, allowing students to read and interpret physicians’ notes from patient encounters. Finally, it reviews the names of specific diagnostic tests and medical procedures.

MAA105 – Introduction to Billing and Coding (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104
- **Description:** The course provides an introduction to basics of health insurance and medical documentation in electronic health records. It introduces and provides the proper recording guidelines for the ICD-10 diagnostic coding system. Finally, it continues with a discussion of paper and electronic insurance claim forms and how to initiate the claims process.

MAA106 – Accounts Receivable and Claims Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105
- **Description:** The course introduces and provides the proper recording guidelines for the CPT procedural coding system. It continues with a review of how to properly receive insurance payments, and how to process rejected claims. Finally, it introduces various office and insurance collections strategies to help reduce outstanding accounts receivable by increasing rate of payment for services.
MAA107 – Financial and Practice Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106
- **Description:** The course provides an introduction to banking services and procedures. It also addresses the basics of human resources and marketing in a private medical office. The course also provides students with an overview of financial and practice management.

MAA111 - Microsoft Office for Healthcare Administrators (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

MAA201 – Medical Administrative Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** MAA101, MAA102, MAA103, MAA104, MAA105, MAA106, MAA107, and MAA111
- **Description:** The externship is designed to give students the opportunity to apply their knowledge of administrative medical assisting, medical billing and coding, and practice management under the supervision of a medical office supervisor. Each extern will work in one or more medical facilities during their externship.

MAT101 – Basic College Mathematics (50 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course focuses on the fundamental math skills needed to succeed in a professional work environment. Topics within the course range include a review of whole numbers, fractions, decimals, ratios/proportions and percentages. The course finishes with an introduction to geometry, statistics, and algebra.

MBC101 – Introduction to Medical Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course introduces the fundamentals of medical terminology. The course then specifically reviews terminology related to the musculoskeletal systems, the cardiovascular system, the lymphatic system, the respiratory system, and the digestive system.

MBC102 – Diagnostic and Procedural Terminology (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101
- **Description:** The course reviews terminology related to the urinary system, the reproductive system, the nervous system and special senses, the integumentary system, the endocrine system. The course also reviews diagnostic and procedural terminology and pharmacology.

MBC103 – Introduction to Health Insurance (80 Clock Hours / 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102
- **Description:** The course provides an introduction to the healthcare industry by describing the role of the Medical Insurance Specialist and the basics of health insurance and managed health care.

MBC104 – Introduction to Diagnostic Coding (80 Clock Hours / 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102, MBC103
- **Description:** The course describes the process for revenue cycle management and addresses legal and regulatory issues surrounding the daily responsibilities of medical billers. It also introduces the proper recording guidelines for the ICD-10 diagnostic coding system.

MBC105 – Introduction to Procedural Coding (80 Clock Hours / 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102, MBC103, MBC104
- **Description:** The course addresses the basics of procedural coding, including CPT and HCPCS. It then goes into specific detail regarding how to effectively code for medical necessity and comply with all relevant coding regulations.
MBC106 – Medicare and Medicaid (80 Clock Hours / 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102, MBC103, MBC104, MBC105
- **Description:** The course explains the basics of Medicare and Medicaid programs including plan types within the programs, eligibility requirements, verification protocol, payment methods commonly used by state and federal programs, reimbursement fundamentals, methodologies for maximizing reimbursement, and procedures for claim submission to these programs.

MBC107 – Commercial and Miscellaneous Insurance Plans (80 Clock Hours / 7.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102, MBC103, MBC104, MBC105, MBC106
- **Description:** The course explains the basics of Private Insurance and goes into greater detail on Anthem Blue Cross Blue Shield plans. The course also explains the basics of the TRICARE and Veterans’ insurance programs and Workers’ Compensation programs.

MBC111 - Microsoft Office for Medical Billers and Coders (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

MBC201 – Medical Billing Externship (180 Clock Hours / 6.0 Quarter Credit Hours)

- **Prerequisites:** MBC101, MBC102, MBC103, MBC104, MBC105, MBC106, MBC107, and MBC111
- **Description:** The externship is designed to give students the opportunity to work on patient claim forms and submit them for payment, investigate rejections and secure pre-authorizations. Each extern will work in one or more medical facilities or medical billing facilities during their externship.

MTB101 – Basic Massage (122 Clock Hours / 8.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course covers a variety of introductory topics during lecture: the history of massage; effects, benefits, indications, and contraindications of massage; medical terminology; infection control; body mechanics and massage movements; and ethics and professionalism. The hands-on portion emphasizes proper execution and application of foundational Swedish massage techniques. Each student must also complete the AHA Healthcare Provider CPR course prior to finishing the course.

MTB102 – Anatomy, Physiology, and Kinesiology I (96 Clock Hours / 9.5 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the human body to include anatomical terminology, the structural organization of living matter. It also provides an introduction to the musculoskeletal system and its related structures, functions, and pathologies, with emphasis on upper body structures.

MTB103 – Anatomy, Physiology, and Kinesiology II (32 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course explores all aspects of the musculoskeletal system, including related structures, functions, and pathologies, with emphasis on lower body structures.

MTB104 - Comprehensive Anatomy and Physiology I (30 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the structure and function of all major organs of the Nervous, Endocrine, Cardiovascular, Lymphatic, Immune, Digestive, Respiratory, Urinary, and Reproductive Systems.
MTB105 - Comprehensive Anatomy & Physiology II (30 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides a comprehensive review of all major muscles and muscle groups of the body. Emphasis will be on concepts including each muscle's origin, insertion, and action.

MTB111 - Microsoft Office for Massage Therapists (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

MTB200 – Student Clinic (150 Clock Hours / 5.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105
- **Description:** Students are required to attend a minimum of 150 hours of student clinic internship training. Students are to use Swedish massage techniques from their Basic Massage module in addition to techniques such as deep tissue massage, medical massage, or sports massage. Students must follow policies and procedures outlined in the Student Clinic Handbook.

MTB201 - Massage Business and Ethics (30 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105
- **Description:** The course discusses the business aspects of massage therapy such as interview preparation, resume writing, marketing strategies (e.g. chair massage as a marketing tool) and the challenges of business ownership. The course also advances conversations from prior courses regarding ethical concepts such as the therapeutic relationship, the importance of personal and professional boundaries, and ethical touch.

MTB202 - Clinical Assessment & Integration (30 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201
- **Description:** The course provides an introduction to the concept of postural dysfunction, its effect on the muscular system, and application of massage to provide pain relief and postural improvement. Specific emphasis will be placed on postural deviations caused by chronic holding patterns in muscle tissue; trigger point formation and theory; working with hypertonic muscles; stretching techniques; visual client assessment; and session planning.

MTB211 - Deep Tissue I (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course discusses deep tissue and trigger point techniques as well as their application and benefits to the upper body. Neuromuscular concepts will also be covered. The course addresses the practical applications of these techniques during lab sessions.

MTB212 - Deep Tissue II (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course discusses deep tissue and trigger point techniques as well as their application and benefits to the lower body. Neuromuscular concepts will also be covered. The course addresses the practical applications of these techniques during lab sessions.

MTB213 - Spa Therapies I (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** This course includes a discussion of spa history, various spa therapies, and associated therapeutic benefits. The course also includes practical training in Aromatherapy Massage, Skin Exfoliations, Hot Stone Therapy, and Thermal Body Wraps.
MTB214 - Spa Therapies II (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** This course includes a discussion of the operation and care of spa equipment and the use of different spa products. The course also includes practical training in Aromatherapy Massage, Skin Exfoliations, Hot Stone Therapy, and Thermal Body Wraps.

MTB215 - Sports Massage (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course discusses common sports injuries as well as massage therapy techniques for their treatment. Upon completion of this module, each massage student will be able to analyze, understand, and identify common sports injuries encountered in daily practice. Each student will practice therapeutic techniques that are effective for common sports injuries.

MTB216 - Special Needs (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course discusses the adaptation of massage techniques for use on elderly, handicapped, infant, and prenatal clients.

MTB217 - Medical Massage I (30 Clock Hours / 3.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course will address medical conditions that may be encountered in a massage practice and treatment regimens that may utilize massage. Lecture time is focused on the discussion of pathology. Live case studies are presented when available.

MTB218 - Medical Massage II (30 Clock Hours / 2.0 Quarter Credit Hours)

- **Prerequisites:** MTB101, MTB102, MTB103, MTB104, MTB105, MTB201, MTB202
- **Description:** The course will address medical conditions that may be encountered in a massage practice and treatment regimens that may utilize massage. Lecture time is devoted to the discussion of pathology, while lab time is spent practicing assessment skills and treatment of common conditions seen in a massage facility. Live case studies are presented when available.

PHT101 – Introduction to Pharmacy Practice (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the pharmacy industry by describing the role of the Pharmacy Technician in the pharmaceutical industry. It continues by addressing the importance of communication and customer care, with emphasis on the retail pharmacy setting. It provides an introduction to pharmacy laws and ethics, as well as basic medical and pharmacy terminology. Finally, the course gives students the opportunity to learn the basics of dosage forms and routes and important drug information resources.

PHT102 – Introduction to Community Pharmacy (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101
- **Description:** The course provides an introduction to the Community Pharmacy environment. This includes dosage calculations such as days supply, quantity, and liquid concentrations. It focuses on prescription translation skills and insurance principles as critical proficiencies in a retail setting. It also expands upon the importance of being able to use drug reference materials and display basic knowledge of over-the-counter products found in a pharmacy.

PHT103 – Introduction to Institutional Pharmacy (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102
- **Description:** The course provides an introduction to Institutional Pharmacy environments and focuses on an in-depth review of sterile pharmaceutical products, specifically the preparation of IV fluids. In that context, it explains proper aseptic technique and how to ensure that all products remain free of bacteria, fungi, and other microorganisms. Finally, the course requires students to perform parenteral calculations most commonly associated with the use of sterile products in an institutional pharmacy setting.
PHT104 – Introduction to Compounding (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102, PHT103
- **Description:** The course provides an in-depth review of pharmaceutical compounding. It continues with an introduction to pharmacology, addressing important topics like the distinction between pharmacodynamics and pharmacokinetics. It continues with a review of drug distribution and metabolism. Finally, the course introduces the basic anatomy, physiology, pathology, and pharmaceutical treatments related to the immune system.

PHT105 – Body Systems and Pharmaceuticals I (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102, PHT103, PHT104
- **Description:** The course introduces the basic anatomy, physiology, pathology, and pharmaceutical treatments related to the several body areas, including: the integumentary system, the eyes and ears, the gastrointestinal system, the musculoskeletal system, the respiratory system, the cardiovascular system, and the lymphatic system.

PHT106 – Body Systems and Pharmaceuticals II (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102, PHT103, PHT104, PHT105
- **Description:** The course introduces the basic anatomy, physiology, pathology, and pharmaceutical treatments related to the several body areas, including: the urinary system, the endocrine system, the reproductive system, and the nervous system. It also introduces the various over the counter medications that may be utilized by patients for a variety of conditions.

PHT107 – Pharmacy Administrative Management (80 Clock Hours – 7.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102, PHT103, PHT104, PHT105, PHT106
- **Description:** The course exposes students to the various applications of technology in pharmacy practice. It continues with additional administrative skills such as inventory management and insurance and third party billing. As students are will begin externship training upon completion of this course, there is an emphasis placed on real world issues such as preventing medication errors, enhancing workplace safety, and adapting pharmacy practice to meet the needs of special populations.

PHT111 - Microsoft Office for Pharmacy Technicians (40 Clock Hours/4.0 ABHES Quarter Credit Hours)

- **Prerequisites:** None
- **Description:** The course provides an introduction to the fundamentals of Microsoft Office products. Students will learn and perform basic techniques in Microsoft Word, Excel, and PowerPoint. This course is delivered via distance education. Computer and Internet Access are required to complete this course.

PHT201 – Pharmacy Technician Externship (240 Clock Hours / 8.0 Quarter Credit Hours)

- **Prerequisites:** PHT101, PHT102, PHT103, PHT104, PHT105, PHT106, PHT107, and PHT111
- **Description:** The externship is designed to give students the opportunity to apply their knowledge of pharmacy practice under the supervision of a licensed pharmacy technician and/or pharmacist. Each student’s externship will be performed in at least two different types of contemporary pharmacy settings, one of which must be a dispensing pharmacy (e.g., hospital, community). Each extern will be expected to perform in accordance with the professional standards taught at Northwest Career College.

PL201 – Introduction to eDiscovery (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** LA101, LA102, LA103, LA104, LA105, LA106, LA107
- **Description:** This course provides students an overview of the use of e-Discovery in civil and criminal cases. Students are introduced to discovery identification and preservation, collection, processing, review, production, and trial presentation. This course also explores e-discovery tools, computer forensics tools, processing and review platforms, and trial presentation software used in the legal field.

PL202 – Alternative Dispute Resolution and Mediation (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

- **Prerequisites:** LA101, LA102, LA103, LA104, LA105, LA106, LA107
- **Description:** This course explores the various alternatives to litigation. Students will be introduced to processes and methods of Alternative Dispute Resolution (ADR) and Mediation techniques. Upon completion, students will have a general understanding of legal terminology, agreements, checklists, and ethical considerations involved in ADR.
Addendum F – Course Descriptions [Effective - 10/03/2022]

PL203 – Family Law (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

► Prerequisites: LA101, LA102, LA103, LA104, LA105, LA106, LA107
► Description: This course provides an overview of a family law practice. It addresses fundamental topics including marriage, divorce, annulment, property division, parenthood, adoption, custody, support, and family violence along with emerging areas, such as legal recognition of non-marital families and assisted reproductive technology. Attention is given to coverage of legal principles, ethical issues, research, interviewing, discovery, drafting, and other essential practice skills.

PL204 – Wills, Trusts, and Estates (60 Clock Hours/5.0 ABHES Quarter Credit Hours)

► Prerequisites: LA101, LA102, LA103, LA104, LA105, LA106, LA107
► Description: This course covers how to legally and ethically develop and administer an estate plan. Specialized legal vocabulary is introduced, relevant substantive and procedural law is explained, and a student produced estate planning and estate administration portfolio of relevant documents that thoroughly covers the wills, trusts, and estates legal specialty area is developed.

PL211 – Paralegal Studies Externship (180 Clock Hours/6.0 ABHES Quarter Credit Hours)

► Prerequisites: LA101, LA102, LA103, LA104, LA105, LA106, LA107
► Description: The pass/fail externship gives each student the opportunity to apply their education in an affiliated legal facility while remaining supervised by program faculty and externship coordinator and guided in further development of the skills learned in class. Externs will work in one or more legal settings.

PLB101 – Introduction to Phlebotomy Practice (60 Clock Hours – 4.5 Quarter Credit Hours)

► Prerequisites: None
► Description: The course provides an introduction to the Phlebotomy industry by describing the role of the Phlebotomy Technician in the healthcare industry. It then provides students with a foundation in professional communications, electronic documentation, and the ethical, legal, and regulatory issues needed to successfully begin their clinical practice. Finally, the course gives students a broad-based introduction into the medical terminology and anatomy and physiology needed to safely practice phlebotomy.

PLB102 – Specimen Collection and Processing (60 Clock Hours – 4.5 Quarter Credit Hours)

► Prerequisites: PLB101
► Description: The course provides an overview of infection control procedures, safety protocols, and first aid procedures essential to the safe practice of phlebotomy. It continues with a thorough review of the equipment used in blood collection and a discussion about the pre-examination/pre-analytical complications that can cause medical errors in blood collection. It then reviews the protocols for venipuncture procedures and collection of capillary blood. Finally, the course describes proper procedures for specimen handling, transportation, and processing.

PLB103 – Special Procedures and Populations (60 Clock Hours – 4.5 Quarter Credit Hours)

► Prerequisites: PLB101, PLB102
► Description: The course begins with an explanation of considerations and adaptations of specimen collection protocols for special populations (e.g. pediatric, geriatric patients) or for collections in non-laboratory settings (e.g. Point-of-Care collections). It continues with a review of special procedures such as Arterial collections, access of IV sites, and how to collect Urinalysis samples, Body Fluids, and other specimens. It provides an explanation of the Phlebotomist’s role in drug testing, forensic toxicology, workplace testing, sports medicine, and other miscellaneous settings.

PSY101 – Psychology (50 Clock Hours/5.0 ABHES Quarter Credit Hours)

► Prerequisites: None
► Description: This course introduces human behavior. It includes the study of the theories and concepts of psychology including the scope of psychology, biological foundations and the brain, sensation, perception, motivation, personality, learning and memory, emotion, states of consciousness, personality theories, cognition, life-span development, and applied psychology.
The following addendum contains updates to policies published in the School Catalog - Effective January 11, 2022. Please note that the policies within this addendum have been arranged alphabetically and are not necessarily in the order in which they appear within the School Catalog itself.

<tr>
<td>NCC has adopted the following definitions for the terms listed below:</td>
</tr>
</tbody>
</table>

| Academic Year | The academic year consists of a minimum of 36 weeks of instruction in which a full-time student is expected to complete at least 36 quarter credits. |
| Clock Hour    | One clock hour is a 60-minute period of time consisting of 50 minutes of instruction with an approximate 10-minute break. |
| Credit Hour   | Credit Hours are calculated for accreditation purposes using the conversion formulas for a “quarter credit hour” listed below: |
|               |  - 10 Lecture Clock Hours = 1 Credit Hour |
|               |  - 20 Laboratory Clock Hours = 1 Credit Hour |
|               |  - 30 Externship Clock Hours = 1 Credit Hour |
| Grade Point Average (GPA) | A measure of student academic achievement, based on an average of the grades a student receives during their enrollment. |
| Make-Up Attendance | Attendance completed outside of a class session under instructor direction or supervision for which the student will receive credit. |
| Tardy | Any time a student is more than 5 minutes late to a class session or leaves early from a class session. |
**Academic Year Length**

**Policy Statement**

NCC defines the academic year length for its Title IV-eligible programs according to the table below.

**Accreditation Information**

NCC's Pharmacy Technician Program is programmatically accredited by the Accreditation Council for Pharmacy Education/American Society of Health-System Pharmacists (ASHP/ACPE); American Society of Health-System Pharmacists is located at 4500 East West Highway, Suite 900, Bethesda, MD 20814; ashp.org.

**Admissions Requirements**

**Programmatic Admissions Requirements**

Program specific requirements for admission include:

3. Documentation of immunizations is required within 90 days of starting several programs and is recommended prior to admission (Required for Dental Administrative Assistant, Dental Assistant, Healthcare Administration, Medical Administrative Assistant, Medical Assistant, and Pharmacy Technician programs). The cost of immunizations required by NCC or its clinical affiliates is NOT included in the cost of the program. See the Immunization Policy below for additional details regarding the specific immunizations required for each program.

4. Successful completion of a background check is required prior to acceptance into certain programs. The cost of the background check is included in the cost of the program if the applicant’s history is fully disclosed and they are accepted into the program (Required for Criminal Justice, Legal Assistant, Massage Therapy, Paralegal Studies, and Pharmacy Technician programs only).

**Attendance Policy**

**Policy Statement**

NCC maintains attendance records for each student and expects students to attend a minimum of 75% of scheduled class hours during each academic term. NCC will place a student on attendance probation if they do not meet the minimum attendance requirement during a given academic term. NCC will also record a failing grade for a student if they do not attend a minimum of 60% of scheduled class hours during a given academic term.

- **NOTE** - Externship attendance policies are different from classroom attendance policies and are explained in detail in the Externship Policy.
Attendance Records

Students may review their attendance records at any time by opening the “My Attendance” page within the “My Academics” section of their student portal. Students should contact their assigned Academic Advisor to request assistance if they identify a discrepancy in their attendance records.

Make-Up Attendance

Make-up sessions are scheduled each term during non-class hours. Students may complete a maximum of 25% of the scheduled class hours by participating in make-up sessions and can only earn Make-Up Attendance credit during the term when the scheduled class hours were missed. Students will not be permitted to earn academic credit during make-up attendance sessions unless they have submitted documentation of a verifiable medical or legal emergency via email to absent@northwestcareercollege.edu. Students should contact their assigned Academic Advisor to request assistance if they identify a discrepancy in their Make-Up Attendance records.

Acceptable Technology Use Policy

Policy Statement

Access to and use of technology such as public computers and wireless internet on campus is limited to NCC students and employees. Acceptable uses of such technology include study, research, teaching, administrative work, and other related activities. Incidental personal use is permitted, so long as it does not interfere with NCC's educational or administrative uses.

Use of NCC technology to conduct any of the following activities is strictly prohibited:

- Transmission of any material in violation of any federal, state, or local regulation including, but not limited to, copyrighted material, threatening or obscene material, or material protected by trade secret. Use for commercial activities is prohibited.
- Threatening or harassing others in an online environment.

Credit Hours for Previous Education or Training

**Former NCC Students**

Previously enrolled students who attended but did not graduate from one of NCC's diploma-level programs and whose last date of attendance is less than 180 days ago are typically eligible to seek Re-Entry in their previous program and receive transfer credit for all courses completed in their previous program. However, these students are ineligible to receive transfer credit towards a degree-level program.

Previously enrolled students who attended but did not graduate from one of NCC's diploma-level programs and whose last date of attendance is greater than 180 days ago are ineligible to seek Re-Entry in their previous program but are typically eligible to receive transfer credit for a portion of the courses completed in their previous program. However, these students are ineligible to receive transfer credit towards a degree-level program.

Previously enrolled students who graduated from one of NCC's diploma-level programs, are eligible to receive transfer credit for any courses completed in their previous program that are deemed to be equivalent to a required course in a degree-level program.

Determination of Student Location Policy

Policy Statement

NCC uses each student’s mailing address as the basis for the determination of Student Location. Students must be located within the State of Nevada and may not commute or telecommute from outside of Nevada to attend class sessions at NCC.

Applicants

At the time of enrollment, NCC uses the mailing address provided by the student on their Application for Admission to determine their location. Prospective students who reside outside the State of Nevada may enroll while living elsewhere but are not eligible to start their program prior to relocation in-state. Prospective students must provide an in-state mailing address to the Admissions Department prior to starting their program so that their new location can be determined, and their student record can be updated accordingly.

Attending Students

Students are required to notify NCC of any relocations by submitting an update on the “My Information” page within the “My Profile” section of their student portal and providing their updated mailing address. Students who relocate out of state while enrolled at NCC must request a Leave of Absence (if they anticipate the relocation is temporary) or withdraw from their program (if they anticipate the relocation in permanent). This policy applies to all students participating in a program of study at Northwest Career College, regardless of whether they have enrolled under a blended or full distance delivery method.

Externship

Policy Statement

Externship is a field-based course where students gain practical experience under the supervision of an industry professional. Currently attending students enrolled in programs that include an externship have access to support services in preparation for and throughout the course.

The Career Services Department oversees externship preparation and management as well as site assignment for all programs. Faculty-qualified representatives assist with clinical oversight and evaluation of students participating in clinical experiences. Students who have questions regarding externship should email externship@northwestcareercollege.edu.

Externship Scheduling

Students are scheduled to start externship after all academic prerequisite courses and Career Services requirements have been completed. All students are required to be available to participate in externship for at least 24 hours per week but are encouraged to be available for 40 hours per week as many sites require students to complete full-time hours to be eligible for placement at their facility. Students must be available to complete the minimum required hours during regular business hours (8:00 am – 5:00 pm, Monday through Friday).

Students are typically scheduled to start externship on the first day of their final term. However, exact externship start dates depend on supervisor availability at clinical sites. On occasion, situations may arise within organizations serving as externship sites which cause delays between the end of classes and the beginning of externship. These delays will be minimized or avoided whenever possible.

Students returning from LOA to attempt their externship term are required to remain in regular communication with the Career Services department and Registrar to ensure adequate time for course registration and site assignment. Failure to do so may result in delays to the beginning of externship to a later term.

Externship Site Evaluation

Externship sites are required to go through a screening process prior to affiliation whereby a faculty-qualified individual evaluates the conduciveness of site personnel, facilities, location, and availability to create quality of learning opportunities for students. Sites are NOT required to guarantee employment for students who complete externship at their facility to qualify as an affiliate.
**Externship Site Assignment**

Externship Site Assignments are made by the Career Services Department based on site availability, student candidate profiles, and employer profiles. Site assignments are considered final once a student has started externship.

Important considerations related to site assignment include:

- NCC cannot guarantee that students will be assigned to externship sites with employment opportunities available to graduates.
- NCC cannot guarantee that students will be assigned to externship sites within their preferred geographic area. Rather, students are assigned to externship sites within customary and usual commuting distance of the location(s) where they received their program instruction (typically estimated as a 20-40 minute commute by car).
- NCC does not allow students to complete externship via distance education. Externship is considered “residential” and must be completed on-ground at an affiliated facility.
- Some facilities have requirements exceeding those required for program admission that must be met prior to site assignment. Examples include proof of supplemental immunizations (e.g. influenza, COVID-19), TB test results, physical examination results, proof of health insurance, drug test results, and background check results. Students are financially responsible for the costs associated with these requirements if they wish to complete their externship at such a facility.

**Student Responsibilities**

Students are required to remain in regular communication with their assigned Career Services Advisor while on externship. Failure to promptly respond to mandatory communications may result in externship delays or failure of the course.

Students are expected to attend 100% of their scheduled externship hours. Students must receive prior approval from their assigned Career Services Advisor and the on-site supervisor for all absences. Inconsistent attendance or extended absences may result in failure of the course.

Students are expected to immediately report any concerns to their assigned Career Services Advisor if they believe they are not receiving adequate training at the site. These reports will be evaluated by the Director of Career Services on a case by case basis.

---

**Grading Policy**

**Policy Statement**

NCC awards grades for courses using a letter grade or on a pass/fail basis using the scale listed below and permanently records these grades within its student information system after the conclusion of each term.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
<th>GPA Equivalent</th>
<th>Included in GPA Calculation</th>
<th>Included in Rate of Progress Calculation</th>
</tr>
</thead>
<tbody>

<td>Not Calculated</td>
<td>No</td>
<td>Credits NOT attempted and credits NOT earned</td>
</tr>
</tbody>
</table>
*NCC includes F and/or W grade(s) in GPA calculations until the student repeats the course. Once the student repeats a course, NCC replaces the prior F and/or W grade(s) in GPA calculations with the most recent course grade. NCC includes the grades from all course attempts on the student’s official transcript and all course attempts are included as credits attempted for Rate of Progress calculations.

Incomplete Courses

NCC does not award incomplete grades. All course grades are finalized within three (3) business days of the end of the term. Students who do not pass a course or the requirements of a scheduled course are awarded an “F”. Students who do not pass a course or complete all requirements of a scheduled course are awarded an “F” or “Fail”. Students who were awarded an “F” or “Fail” in a course as a result of an incomplete certification requirement may appeal this determination if they submit documentation that they have completed the certification requirement within 180 days of the student’s last date of attendance.

Repeated Courses

Students must repeat and successfully pass any courses in which they receive “F”, “Fail”, or “W” grades. NCC will schedule students to repeat courses as soon as reasonably achievable based upon course schedules and faculty availability.

### Program Type

<table>
<thead>
<tr>
<th>Program Type</th>
<th>Repeated Course Restrictions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Certificate</td>
<td>Students who receive “F”, “Fail”, or “W” grades may not repeat courses and are administratively withdrawn from their program.</td>
</tr>
<tr>
<td>Diploma</td>
<td>Students who receive “F”, “Fail”, or “W” grades may repeat courses up to a maximum of three total attempts (excluding course withdrawals).</td>
</tr>
<tr>
<td>Associate Degree</td>
<td>Students who receive “F”, “Fail”, or “W” grades may repeat courses as needed.</td>
</tr>
</tbody>
</table>

Students repeating a course will not receive credit for any work completed during a prior attempt of that course and must successfully complete all course requirements again to pass the course.

Academic Records

Students may review their current course grade(s) at any time by opening the “Grades” page within any active course in their learning management system. Students should contact their instructor to request assistance if they identify a discrepancy in their current course grade(s).

Students may review their completed course grade(s) at any time by opening the “My Grades” page within the “My Academics” section of their student portal. Students should contact their assigned Academic Advisor to request assistance if they identify a discrepancy in their completed course grade(s).

</table>
Immunization Policy

Students with a Programmatic Admissions Requirement to submit immunization records must submit the following documentation within 90 days of their start date:

1. Hepatitis B Vaccination
2. Measles, Mumps, and Rubella Vaccination

Failure to submit records within the first 90 days of enrollment will result in a Conduct Violation. Please see the Conduct Policy for additional information.

Externship sites or employers may require additional vaccinations, such as the COVID-19, Varicella, TDAP, or flu vaccines, to consider a student for externship or a graduate for employment. Students are responsible for complying with all externship site requirements for their assigned site. NCC is not financially responsible for any additional requirements requested by externship sites or employers.

"Northwest Career College will not let you fail if you put the work in. They always communicate with you in a timely fashion. I appreciate them working things out during the quarantine time. I don't find anything difficult about this online class stuff. I believe it offers some flexibility that a lot of people are searching for these days. I highly recommend this school. I also recieved a scholarship because NCC led me to the right people to apply for the scholarship. I love my school, go Northwest Career College!!!!"

**Liability Insurance Policy**

*Policy Statement*

NCC maintains malpractice/professional liability insurance in order to provide limited liability protection to students while practicing their clinical skills in class or during internship/externship experiences.

*Liability Insurance Information*

NCC’s malpractice/professional liability insurance is intended to cover injuries to students, patients, faculty, or staff that may occur while practicing clinical skills during a laboratory course or an externship/internship course. This insurance only covers any injuries that occur while students are practicing clinical skills in accordance with industry-standard workplace safety requirements.

This insurance is NOT intended to cover injuries that occur due to a failure to comply with industry-standard workplace safety requirements, self-inflicted injuries (whether the incident was on purpose or accidental), or injuries that may occur due to a patient/client’s actions, the actions of an employee of a clinical externship site, or other unforeseeable actions of unrelated parties present at a clinical externship site. Such injuries are expected to be covered via individual health insurance or the externship site’s general liability insurance.

Program Revision Policy

Policy Statement

NCC reserves the right to voluntarily make changes in program content, materials, schedules, sequence, or location in order to improve its educational offerings and/or respond to changing industry demands or professional requirements. NCC may also be required to make such changes in response to updated accreditation standards or federal or state regulations. NCC will communicate any such changes to stakeholders, including students, in advance of implementation.
Program Revision Procedures

If NCC makes changes to a program that DO NOT substantially alter the program duration, program cost, or graduate employment opportunities, NCC will implement these changes as soon as reasonably achievable after receiving approval from the applicable regulatory agencies.

If NCC makes changes to a program that substantially alter the program duration, program cost, or graduate employment opportunities, students will be given the opportunity to complete their original program or will be provided a refund in accordance with the Refund Policy.

If NCC implements changes to a program after a student has withdrawn from the program, and then the withdrawn student requests re-entry into the program, the student will be required to participate in the updated program version. NCC will review the student’s academic record and award Transfer Credit for previously completed coursework prior to accepting the student for re-entry.

Status Change Policies

Leave of Absence Policy Statement

Currently attending students are eligible to request a Leave of Absence (LOA) from their program, whereby they can temporarily pause their academic progress and resume courses at a later date. Students with questions about the Leave of Absence policy should contact the Registrar via email at registrar@northwestcareercollege.edu for assistance.

Requesting a Leave of Absence

Students may request an LOA by submitting a Leave of Absence Request form and applicable supporting documentation. However, submission of a Leave of Absence Request form does not guarantee the LOA will be granted.

Requests are assessed on an individual basis student’s attendance, academic history, available LOA time, and whether it can be reasonably expected that a student will be able to continue their program in the future prior to approving any LOA request.

NCC does not approve LOA requests for students who have been enrolled for less than 30 days, who do not have sufficient LOA eligibility time remaining, or who do not reasonably expect to continue their program in the future.

Leave of Absence Requirements

Students may spend no more than 180 days on LOA in any 12-month period. NCC will administratively withdraw any student who is not in attendance on their scheduled return date from an LOA or any student who is unable to return from LOA prior to the end of the 180 day maximum timeframe. Any student who is withdrawn due to a failure to return from an LOA will have Return to Title IV and Institutional Refund calculations performed in accordance with NCC’s Refund Policy and Return to Title IV Policy.

Leave of Absence Financial Implications

Students delay their academic progress by taking an LOA, which may also impact their financial aid disbursement schedule and their stipend release schedule. Students with questions about the financial implications of an LOA should contact their assigned Financial Aid Officer for assistance.

Transfer Policy

Students may request to transfer shifts by contacting the Registrar via email at registrar@northwestcareercollege.edu and submitting a Shift Transfer Request form. Requesting a Shift Transfer does not guarantee it will be granted by NCC.
Student Health Services

Policy Statement

NCC does not provide health services for students or externs. However, NCC believes that it is important for all individuals to maintain valid health insurance to provide support in case of medical emergencies, and that it is especially important for healthcare workers due to the increased risk of exposure to infectious diseases found in clinical settings.

Emergency

Any life-threatening emergency should be immediately reported by students or employees to local authorities by dialing 911. After activating the emergency response team, the student or employee reporting the emergency should then notify the first available Campus Security Officer or Front Office representative so that they can provide notice to the staff and affected faculty (if not already informed). If a criminal offense precipitated the life-threatening emergency, NCC will also issue a timely warning report and record the offense in the log of all criminal activity.

For additional details regarding specific actions that NCC will take during an emergency, please refer to the Emergency Response Grid posted at the entrance to every room and office on campus. The Emergency Response Grid can also be found in the NCC Annual Security Report.

Non-Emergency

Students requiring non-emergency medical care are encouraged to contact their primary care physician or an urgent care facility for additional guidance and support.

Northwest Career College has added an additional facility to its campus, effective 04/15/2022. The additional facility is located at 1776 E. Warm Springs Road, Suite 200, Las Vegas, NV 89119. It is located to the east of the Warm Springs Road exit off the 215 East. The added facility will house additional Medical Assistant and Phlebotomy Technician classrooms. The building is approximately 6,500 square feet and will consist of several classrooms, faculty offices, an administrative office, and a break room for students and employees. This addendum supplements the School Catalog dated 01/10/2022.
