

Academic Program (Educational Programs, Instructional Facilities, and Faculty)

Northwest Career College provides the following information as required by the Higher Education Opportunity Act in the official School Catalog:

- Current degree programs and other educational and training programs;
- Instructional, laboratory, and other physical plant facilities that relate to academic programs; and,
- Faculty and other instructional personnel.

A paper copy of the official School Catalog is available upon request from the Admissions Office and is provided to all current students upon enrollment at the institution.

Any plans by the institution for improving the academic programs (upon determination by the institution that such a plan is necessary and exists) will be posted on the institution's website under the applicable Academic Program section.
