

Transfer of Credit Policies and Articulation Agreements

Northwest Career College evaluates transfer of credits on a case-by-case basis upon request by the student. Course length, content, and provider are evaluated, among other factors, by the institution's Director of Education. The institution's official policy on transfer of credit can be found in the official School Catalog in the Academic Policies section.

A paper copy of the official School Catalog is available upon request from the Admissions Office and is provided to all current students upon enrollment at the institution.

The institution does not have any currently established Articulation Agreements. This document will be updated with a list of institutions with which the institution has established Articulation Agreements if any are established in the future.
